Overall teaching technique is good hence I don't have any grievance.

....

Excellent she is

1. give homework and check them on regular basis
2. provide extra notes
3. Interactive session should be there in the class

Overall good teaching

Shefali mam has always helped me in my studies and appreciate it too. She has done all the efforts to help the students.

Always good

All teaching videos upload in YouTube.

1. Solve network problems
2. Start offline classes already
3. I don't have books of any semester so if sir/mam you are reading it please give me address of Book Store where I can purchase Book of these semester
(Note: I given answers very honestly and number 3 is very essential for grading in exam)

1. Offline learning experience better than online classes
2. treat online class like a real class
3. Help students

Make session that gives information on how to study effectively during lockdown.

Teaching very nice

They have to be more communicative to all students regarding their strengths weaknesses

We need to overcome our weakness in study

Need to complete the syllabus
Need to be regular in taking classes

Ma'am was totally busy in solving doubt

Our teaching staff is overall interactive and Best

1. Test chapterwise

Best teacher

Important mcqs should be given by every teachers for university exams

Ask for their doubt

Be interactive with whole class.....pay attention to every student equally.....and other thing is satisfactory.

Help out to solve students problem

As we are learning through a virtual live mode of pattern they have the opportunity to the great use of the resources for the best of the students as being teaching from only exam prospectus

No suggestions all is good

He teach us very well. I really enjoys each and every class. He always clears our doubt.

As I have observe during online lecture classes, it is the best way of learning thereby I can asked any queries, doubt by sending text message during online class and we get instant answer, and in online lecture we get more time of lecturer for teaching, and also there is no disturbance of any student as compared to College physical classes. this is a best way of learning during covid situation

Very good

Pinpoint to all the students and their mistakes to identify their weaknesses and strengths.

Give real-life examples or situations so that students can connect to the concept easily.

Give them on the spot topic to speak so that they can develop thinking skills.

1)More examples/case studies would be helpful.2)Network connectivity should be very good.3)More study material should be provided online through Google classroom.

1. I am not from LAW background so I face difficulty to understand legal word and legal language .

2. During class I note down legal words in my dairy and use in practice .

Very good learning experience..Sir always taught with practical examples of actual court cases.. which helped a lot in understanding the subject..

Already perfect, no improvement required.

Ma'am's command over the subject is incredible.. concepts of interpretation were explained with case laws and real life examples..

No need of it

More interaction

it was a good experience to learn by online mode and as the concerned teacher conducted class in interactive way and was fully prepared so it was easy to understand and grasp the same.

Helpful. Co-operative.

Non permanent faculty of law department is somewhat chosen randomly without proper care.

No, my answer for above question is positive.

In the situation of covid and less resources for online connectivity concern lecturers are taking great initiative to conduct proper classes

N.A

Efforts are made by the Department to inculcate soft skills, life skills and employability skills to make you ready for the world of work.

law students should be given the real world idea more than just academics.

looking forward for physical classes.

poor knowledge of the subject.

No beacuse all things which is in an form which I fill it is correct in my way

Yes teaching methods are good

No,the teaching process is best .

Agree

very good

Few teaching staff member have monotounus teaching method which makes the whole subject less interesting.

Very good teaching

No negative ans.

Its positive

I really want to appreciate and thank you for being such a wonderful teacher. Thank u.

Excelant

No reason because my ans for both question is positive
