UGC- Paramarsh Workshop on ICT for Online Teaching and Learning Management

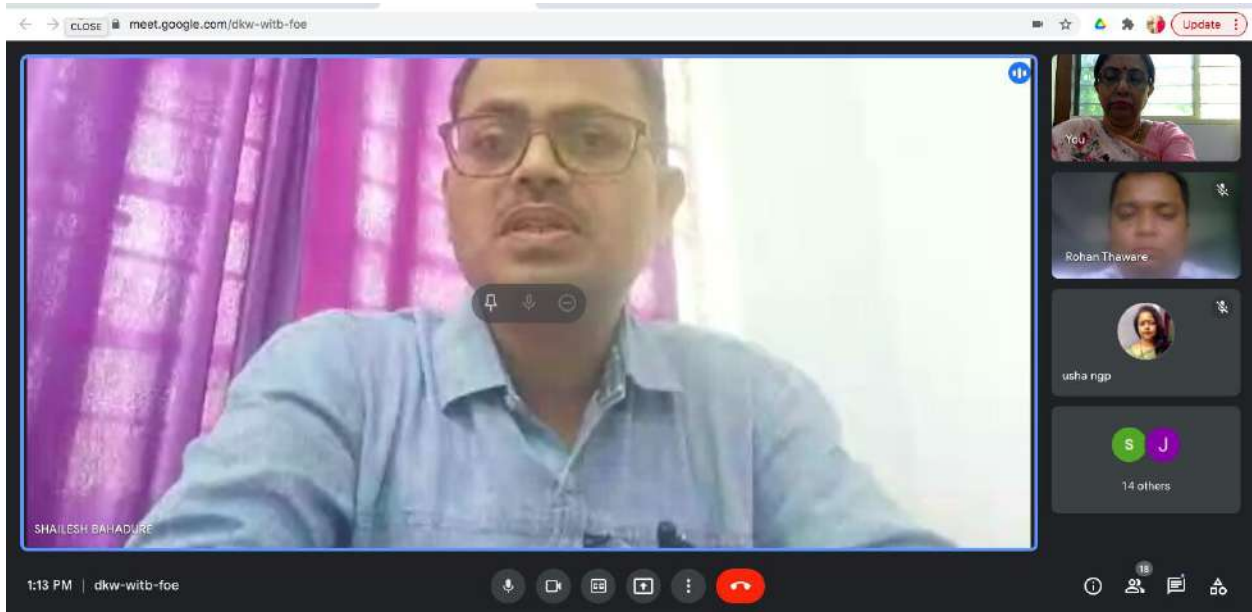

A one day workshop on ICT for Online Teaching and Learning Management was conducted by the UGC Paramarsh unit of Dr. Ambedkar College, Deekshabhoomi, Nagpur on Friday 1st of October 2021 at 1 PM through Google Meet. The idea of conducting such workshop for mentee institutes of Dr. Ambedkar college was conceived in Paramarsh Review meeting conducted on 8th September 2021. The objective of this workshop was to train the teachers from the mentee institute in Learning Management system (LMS) and related software which they can use to manage their data. The meeting began by the general welcome of all the participants from Mentee Colleges by Dr. Shailesh Bahadure, HOD English and Member, IQAC and UGC Paramarsh unit of Dr. Ambedkar College. Dr. Bahadure emphasized the importance of the topic of workshop in current situation which requires skillful use of multiple resources present on internet. The opening remarks were given by Prof. Dr. Mrs. Hema Menon, IQAC Co-coordinator & Accreditation Ambassador (UGC-PARAMARSH Unit), Dr. Ambedkar College. Dr. Menon informed the participants the importance of ICT tools in post Covid era and in NAAC accreditation process and how they can use these tools for smooth conduction of classes. She also informed that the workshop is conducted to support and build the capacity of mentee colleges. Dr. Menon also introduced the resource person of the workshop Mr. Rohan Thaware, Assistant Professor and Member, IQAC and UGC Paramarsh unit of Dr. Ambedkar College.

Mr. Rohan Thaware talked about topics like Collecting Student Contact Data, Preparing Lecture, Scheduling Class, Conducting and recording Class, Uploading Class to YouTube, Assessment, Evaluation, and Discussion with students using Google Classroom. All these aspects were taken using tools provided by Google. He

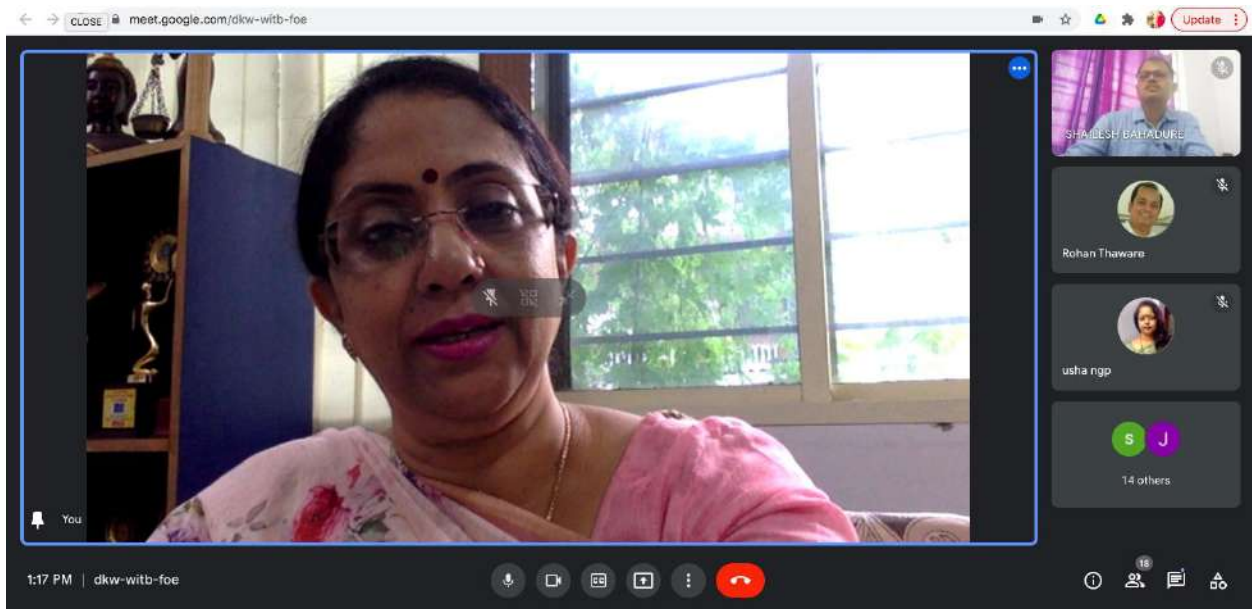

informed the participants that anyone can conduct classes from anywhere as long as they are having a decent and workable Android phone, Good Internet Connection, a Gmail idea which is free and most importantly a will to use these tools for effective teaching.

He began with demonstration of Google form and how teachers and administrators can use it to collect data and emphasized the use of M.Sc. excel. Following this he demonstrated the use of Google Calendar for organizing meetings and classes and how participant's android cell phone can be their personal secretary. Further he explained using Google Meet for taking online class and meetings, Google Docs for writing report and dictation to computer in any language, Google Sheets and Google Slides which are like twin brother of MS excel and of MS PowerPoint respectively. Next he demonstrated Google Classroom a Learning Management System (LMS) from Google. The LMS is such a tool which can manage the learning of students in a very effective way. He explained the use of Google Sites for making personalized website and tell world about your work. He sum up by informing the participants what they can achieve from all these tools and can put them and their institute on world map without much investment.
