Dr Ambedkar College is ACS' Outstanding Student Chapter

■ Staff Reporter

THE most prestigious American Chemical Society (ACS), Washington, USA has selected Dr Ambedkar College, Deekshabhoomi, for the award of Outstanding ACS International Student Chapter for the year 2019. ACS had, earlier, awarded International Student Chapter to the college in February 2019. Based on the evaluation of activities conducted by the college during 2018-2019, ACS panel of experts have chosen the institution for this coveted award.

Founded in 1876 and chartered by the US Congress, American Chemical Society is the world's largest scientific society. Its mission is to advance the broader chemistry enterprise and its practitioners for the benefit of Earth and its people. Its vision is to improve people's lives using Chemistry as an excellent branch of knowledge.

India has 14 ACS International Student Chapters.

ACS International Student Chapter at Dr Ambedkar College has the honour of being the only one in Maharashtra. The other chapters mostly belong to premier institutes like IITs, autonomous universities, deemed universities etc.

Dr Deepa Panhekar, N R Sute, Prof. R V Patil, Vilas Gajghate, Dr Ratnnadeep Sawant and ACS International Student Chapter team.

Based on the activities conducted by Dr Ambedkar College during the academic session 2018-2019, ACS panel of experts have chosen the Institution for this coveted award. Evaluation of the work was based on student chapter's activities, goals and challenges.

Experts appreciated the idea, planning and execution of 'Chem Hunt' competition which was organised by Dr Ambedkar Student Chapter to celebrate International Year of Periodic Table 2019. The chapter had participated in digital poster competition on element "Praseodymium" at the ACS national meeting at Orlando, USA.

Chapter had successfully organised a presentation seminar on "Developing laboratory safety skills in undergraduate students." ACS had appreciated the laboratory safety skill activity and in order to develop similar modules across the world, they invited Dr Ambedkar College chapter to write an article in American Chemical Society's 'In Chemistry' magazine. The article was published and well received across the globe. Dr Deepa Panhekar, Head, Department of Chemistry is ACS member with good standing and she is also Faculty Advisor of the international student chapter at Dr Ambedkar College; Dr Rakeshwar Bandichhor, Director,

API-P, R and D Dr Reddy's Laboratory, Hyderabad is the professional advisor of the chapter.

The award will be presented in a ceremony to be held at ACS national meet at Philadelphia, USA during March 22 to 26, 2020. Faculty Advisor, Dr Deepa Panhekar and Manashree Dongre (Chapter Secretary) have received the invitation from ACS, Washington for the event.

ACS has sanctioned a travel grant of USD 2,500 towards attending the event.

Rev. Bhante Nagarjun Shurei Sasai, President, P P Dr Babasaheb Ambedkar Smarak Samiti, Deekshabhoomi; S J Fulzele, Secretary; N R Sute, Dr Sudhir Fulzele, Vilas Gajghate, Anand Fulzele, members of Smarak Samiti; and Prof R V Patil, Principal, have lauded the efforts by Dr Deepa Panhekar and student members of the chapter for this prestigious moment.

The ACS International Student Chapter at Dr Ambedkar College has Pravin Deharkar, Neha Guntapeliwar, Manashree Dongre, Luv Gupta, Richa Jaiswal, Shibona Jangale, Layashree Dhargave, Nikita Patle, Snehal Apturkar, Sharvari Kulkarni, Ankita Kuchhua, Prerana Bhoyar and Aarti Gupta as student members.

LABORATORY work is a critical component of all the degree courses involving chemistry subject. Students need to develop a solid foundation in the basic principles and procedures of laboratory safety and deepen their knowledge as they progress through their academic career. Students undergoing a undergraduate programme are expected to have a broad background in safety education and basic familiarity with common labo-

ratory hazards.

With these objectives, American Chemical Society (ACS) International Student Chapter, Dr Ambedkar College, Deekshabhoomi had organised a national level virtual quiz competition on 'Chem Safety Buzz'. Mansi Sabne, a student of Dr Ambedkar College bagged second prize. More than 200 students participated in the quiz which comprised three rounds. First round was in the form of cross-words and second round had MCQs questionnaire. The final

round was conducted virtually and the questions were asked in the form of an interesting game. Final round had top 20 scorers. ACS student members made use of breakout rooms while conducting the quiz. SABhinav from St Joseph College of Engineering, Chennai, Tamil Nadu bagged the first position in the competition. Mansi Sabne, Dr Ambedkar College, secured second position while Poorva K Naik, PES's RSN College of Arts and Science, Goa bagged the third position. Certificates were provided to the

winners and students.

ACS student members Sneha Bhurse, Ankita Khonde, Swarnima Burande, Aishwarya Ashtankar, Harshal Nakade, Janhavi Gawande, Janki Parvadiya, Shruti Rathi and Shriya Thakre worked hard for success of the programme. Dr Deepa Panhekar, Head, Department of Chemistry and ACS Chapter Faculty Advisor; Dr Ratnnadeep Sawant, Co-Advisor and Parag Panse supervised the programme. Dr PMSiriya, Officiating Principal, congratulated the winners.

■ Staff Reporter

AMERICAN Chemical Society (ACS) in order to develop curiosity and scientific spirit about chemistry among school children, the ACS International Student Chapter, Dr Ambedkar College had organised ACS Chemistry Festival ChemInspire 2020. ChemInspire was organised in collaboration with Association of Chemistry Teachers (western zone). Chapter members worked on various interesting chemistry experiments, these were videographed and were shown to school students in an interactive and fun filled way via on-line

platform.

Bhavan's B P Vidya Mandir, Civil Lines; Bhavan's B P Vidya Mandir, Srikrishna Nagar; Centre Point School, Katol Road; Centre Point School, Wardman Nagar; Centre Point School, Dhaba; St Xavier's School, Kendriya Vidyalaya, Ajni; Kendriya Vidyalaya, Ambazari; Somalwar School, Ramdaspath; Hadas School, Mundle School and School of Scholar, Atre Layout participated enthusiastically in the ChemInspire programme.

Chapter members gave in-person demonstration to students of Vinayak Vidyalaya School, Visora, Gadchiroli, Maharashtra. After seeing the overwhelming response of students from Nagpur and Gadchiroli school children, the programme was successfully conducted for Global Indian International School,

Ahmedabad, Gujarat.

ACS ChemInspire activities were conducted in the months of December 2020 to February 2021. Overall, the ACS Chemistry Festival, that is, 'ChemInspire 2020' received a participation of around 1,850 participants making it a grand success by meeting the objectives and goals.

Student members who have made their immense contributions in ACS Chemistry Festival include: Sneha Bhurse, Ankita Khonde, Swarnima Burande, Trupti Sawant, Rashmi Mokal, Janki Parawadiya, Janhavi Gawande, Aishwarya Ashtankar, Harshal Nakade, Badal Kathane, Shriya Thakre, Anushka Chichmalatpure, Gurjeet Kaur Gill, Himani Meshram and Prisha Waghmare,

ACS chapter students were guided and supervised

by Dr Hemant Pande, Vice-President, Association of Chemistry Teachers, former Head of Department of Chemistry, Hislop College and Advisor of the programme, Dr Deepa Panhekar, Head, Department of Chemistry and Head, ACS International Student Chapter, DACN, Assistant Professor Dr R C Sawant and Parag Panse. Dr Shridhar Satpute and Umesh Patil provided technical assistance to the activity.

Param Poojya Babasaheb Ambedkar Smarak Samiti President, Bhadant Nagarjun Surai Sasai; Secretary, Dr Sudhir Fulzele, Members, Adv Anand Fulzele, N R Sute, Vilas Gajghate and Principal, Dr B A Mehere congratulated the ACS Chapter for the successful conduction of ACS Chemistry Festival ChemiInspire 2020.
