OUR INSPIRATIONAL PILLARS

Who left behind their footprints in the sands of time....

Padmashree
Late Shri Dadasaheb Gaikwad
Founder President

Late H. E. Shri R. S. Gavai
Former President, College Management
and Former Governor of Kerala & Bihar

Late Shri S. J. Fulzele
Former Secretary,
College Management

*With a dream and a vision to impart character building and quality education to all sections of a young and vibrant India, Dr. Ambedkar College, Nagpur (DACN) was founded in the year 1964 by **Late Padmashree Dadasaheb Gaikwad**. Today this sapling has matured into a magnificent tree that shades, supports and nests thousands of creative, intellectual minds. DACN functions **under the aegis of Param Poojya Dr. Babasaheb Ambedkar Smarak Samiti**. Late H.E. Hon'ble Shri. R. S. Gavai, Former Governor of Kerala & Bihar was the Former President of the College Management. The College flourished under the guidance of our fatherly figure Late Shri **S J Fulzele**, who until recently, held the position of Secretary of the College Management. His sustained aspirations and uncompromising dedication for the holistic growth of this College was almost beyond a parallel. His nourishing love for this institution would endure forever within the walls of the College. The College has seen an exponential growth under the resolute leadership of **Late Dr R Krishnakumar**, Former Vice Chancellor, Yashwantrao Chavan Maharashtra Open University, who was also the Director of the College. **Bhadanta Arya Nagarjun Shurei** is the President of the college management and the wheels of the college is now prudently manoeuvred by **Dr. Sudhir S Fulzele**, Secretary of the College management.*

DACN, resting on the bedrock of these magnificent pillars, it is not surprising indeed that the College emerges as most trusted centre for quality education in Central India!

From the Principal's Desk ...

My dear young aspirants,

Welcome to this thriving and lively family of DACN. Dr. Ambedkar College, Deekshabhoomi, Nagpur waiting to greet you on its campus.

Education is the process of gathering experience and learning to bring about a desirable change in human behaviour with respect to knowledge, skill and attitude. An educational establishment is the hearth where futures of students are moulded and shaped with utmost care. DACN is the place where professional elegance combines with holistic development to enable students to weather the storms and strife of a highly competitive life and find a strong foothold to grip them firmly. DACN has, in more than 56 years of its existence now, kept pace with these insatiable demands of the changing times in moulding young men and women with both, competence and character. Situated in the precincts of the holy Deekshabhoomi, this institution has gained recognition for itself by the sheer force of its indomitable credence and character. Standing tall amidst the city's skyline, it bespeaks of a meticulous design for excellence that was first envisioned and then executed and achieved. Today I welcome your decision to be a part of this illustrious family.

The young mind yearns for a fertile pasture, a positive environment and a healthy atmosphere that can help you nurture and realize your dreams. Whether it is academic excellence, physical competence, inculcation of soft skills or making you market-ready graduates - we

aspire to give you all these and much more. Education at DACN is a very engaging and enriching experience where the expert teaching faculty does not only focus on imparting classroom lectures but ignites your intellectual interest and fuels your passion and creativity. Exposure to practical knowledge enlivens and enhances the latent talent and beckons the young minds to new vistas and horizons of learning. At DACN we are Dedicated to Accomplish with a Never-failing attitude as we do not believe solely in transmitting knowledge from text books to the students but rather in stimulating your curiosity. The institution's dedicated sense of discipline allows the youthful energies to flourish and channelize their creative zeal and pursue their ambition relentlessly. We symbolize an inclusive model of education that groom, encourage and transform young minds into socially sensitive individuals, who are instruments of change for a better tomorrow.

Young friends, I await to see you become the proud members of this great family. We ensure to make every effort to cultivate and refine the talent in you, to give strength to your wings, to instil that desired confidence you, to empower you with knowledge, so that you march out gallantly as an accomplished individual imbued with the best qualities of head and heart ready to take the plunge forward!

Dr. Mrs. Bhuvaneshwari A. Mehre
Principal

DACN - An Overview

DACN is situated at the sprawling premises of holy Deekshabhoomi which is the historic place where Dr. Ambedkar embraced Buddhism. A majestic statue of the serene Buddha luminously stands in the stupa which is a monument of architectural excellence. Thus, the college has a situational advantage of not just being centrally located but also of standing in a place, the shores of which have been sanctified by the footsteps of great revolutionaries and which thus inherits a resplendent heritage. With a modest beginning in 1964, the institution now has over 59 glorious years of experience in trimming the silver lamp of knowledge and keeping its sacred flame bright and burning. Imparting education in the faculties of Arts, Commerce, Science and Law, DACN is truly a college like none other. With its uncompromising standards of excellence, the College is not only committed to imbibe the highest professional skills to prepare the students for a competitive 21st century but also to make them sensitive to the demands of social justice, pluralism and equality. Students at DACN come from diverse backgrounds who mingle together to form an amazing mosaic of cultures and contrasts. Thus, with its focus on character building and quality enhancing education that teaches you to think, DACN has carved a special place in the academic landscape of Nagpur city!

Our Vision

To cultivate competence and efficiency along with character and integrity amongst the youth, for creation of a society that is at once progressive and advanced but also inclusive and just.

Our Mission

To create a climate conducive to the holistic blossoming of personalities and thus provide outstanding leadership for a second future.

To provide for seamless education that allows core competencies to flourish, coupled with technological empowerment to keep pace with digital transformation.

To provide an environment for a productive engagement in research - both by teacher and learner alike.

Certificate Of Accreditation

The accreditation of the college by NAAC in third cycle at **'A' Grade** with a CGPA of 3.45 bears an eloquent testimony of our unshifting commitment to quality and quest for excellence.

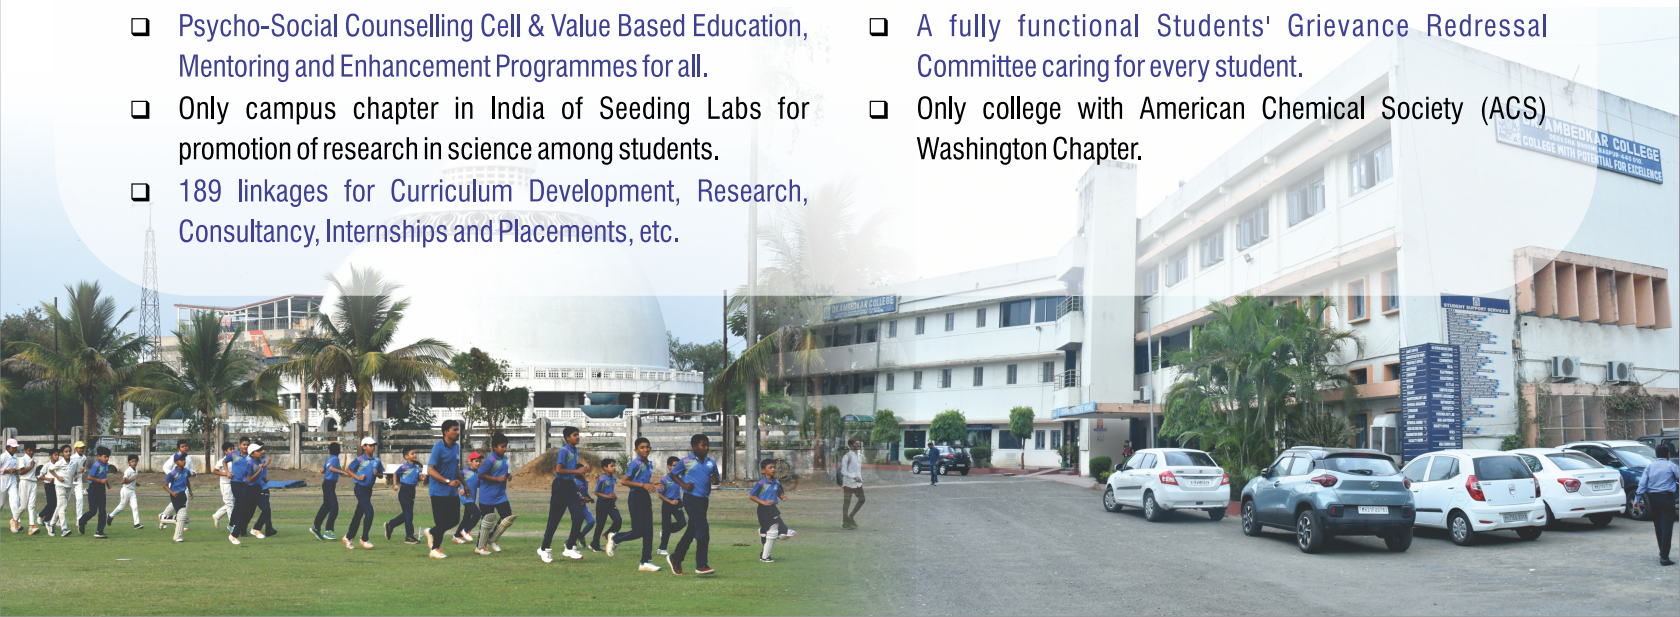

The college has also been accorded the status of **'College with Potential for Excellence'** by the UGC.

- ❑ Only college with American Chemical Society (ACS) Washington Chapter.

Aptitude Test and Remedial Courses:

Within a month from the date of admission, the College conducts an **Aptitude Test** for the students. This is done primarily to identify the aptitude of the students in the chosen discipline. Based on this, innovative **Remedial Courses** are designed to help the weaker students to cope with the subject.

Evaluation Methods:

At DACN, students are evaluated through a series of evaluation methods ranging from simple class tests, unit tests, open book tests, random and surprise tests to class seminars, presentations on allotted topics, take home assignments and annual test examinations. Apart from these strictly academic parameters, a student is also evaluated on the touchstone of his/her participation in college and other activities and general overall behavior and mannerisms.

How can you join **DACN...**

Young friends,
we welcome your decision to join DACN. But make sure you fulfill the following :

1. **To join XI or XII std :** You should have passed SSC or its equivalent in Summer 2022.
2. **To join Graduate Study Programme (BA, BCom, BSc, BCA) :** You must have passed HSSC or equivalent examination in Summer 2022.
3. **To join the LL.B (3years) course :** You should have passed graduation in any stream from a recognized university and to **join the LL.B (5years) course**, you must have passed HSSC with a minimum of 45% marks (5% relaxation for students belonging to Scheduled Castes only). Admissions to both LL.B. (3YC) and B.A. LL.B. (5YC) are now strictly through MH-CET (LAW).
4. To join any Post Graduate Degree Programmes, you must be a graduate in the respective subject from a recognized university.
5. For fees and other details please refer to the annexure attached to the application form.

Campus Regulations :

1. The College campus is strictly a no smoking zone and consumption of alcohol and tobacco is strictly prohibited.
2. The College also strictly prohibits ragging and sexual harassment.
3. Use of mobile phones in college campus is strictly disallowed except for educational purposes.
4. 75% attendance is mandatory for all students.
5. In the interest of security which is paramount, it is absolutely mandatory for all students to wear their Identity Cards without which entry in the campus is prohibited.
6. All tests and exams conducted in the college have to be compulsorily attempted.
7. All students must regularly read the Notice Board as they will not be separately intimated about everything important for them.
8. Students must take care while parking their vehicles in the allotted areas. Since parking has been entrusted to an independent contractor, students are expected to strictly follow the rules framed by the contractor. The college merely grants you the permission to park your vehicle and as such, any claim for loss or damage to the vehicle will NOT be entertained by the College.
9. The Principal reserves the right to grant, refuse or cancel admission at any point of time without assigning any reason whatsoever in the interest of the institution.

Be Proud To Be A Member Of The DACN Family..!

TEACHERS : DACN's Intellectual Capital

The teaching faculty at DACN is the institution's largest intellectual capital. Dedicated, committed and efficient teachers sharpen the acumen of their students, ignite their intellectual curiosity and equip them to take charge of their futures. But the role of teachers at DACN is not cabined within the frontiers of the classrooms alone. They lend a hand of support and confidence during phases of emotional turmoil, and are the anchors for students to lie at rest when storms hit them hard. Further, being themselves extensively involved in research, the faculties open new vistas of knowledge, thereby making teaching-learning an engaging, exploratory process for the students.

Tools Of Learning :

At DACN 'Edutainment' is our mantra where education and entertainment join hands to make the teaching-learning process very exciting. Teachers employ the traditional chalk and talk method and the lecture methods of teaching too. But this is augmented by the use of ICT and other audio-visual aids to help the students internalize what is taught. Extensive case studies are conducted to bring home the point to the students. Besides this, some topics are also learnt through dramas, street plays, etc. **Keeping in line with technological advancements, the teaching faculty at DACN make extensive use of ICT in the teaching-learning process. The use of Google Classroom for sharing e-content as well as web resources as study material, sharing of audio-video lectures by some of the best faculties across the globe, has been a regular practice at DACN well before it became a compulsively necessity owing to the COVID-19 lockdown. The use of online platforms for conducting lectures, webinars etc on a routine basis makes teaching - learning at DACN a seamless and enriching exercise.**

LIBRARY : A Rich Warehouse Of Knowledge

A rich library that stocks a wealth of books and study material is the pride of DACN. It houses a number of reference books, text books, journals, magazines, periodicals, novels and encyclopedias on a variety of subjects. The college has a Core library in every department too, from where quick references can be made. The College library also boasts of the INFLIBNET software which assists one to search, locate and know the status of any book. It is a repository of Research by Teachers. **Inter library loan service** has a tie up with 8 college libraries. A spacious **Reading Room** adjoins the library. Discipline and Silence cultivate the perfect reading culture' here, leaving you in an undisturbed privacy with the book at hand. There is also a separate section which provides study material for various Competitive Examinations.

DACN, being sensitive to the needs of the society, has also started the **Book Bank facility** which is a generous lending arrangement extended to the poor and needy students. The eligible students, under the scheme, are given Text Books for one academic year. **The library is also equipped with an internet facility for the students and faculty members with facilities to download.**

A Braille corner and JAWS in the library is a brilliant pointer to our inclusive and sensitive model of education.

LABORATORIES : Rich Experimentation Centers

Fully equipped, advanced and upgraded laboratories at DACN give students the pleasure to experiment on all that they have learnt in classrooms. There is an advanced **Computer Laboratory** apart from the Biochemistry, Physics, Electronics, Botany, Zoology, Chemistry and Statistics labs. A new **Biotechnology and Biochemistry Research Laboratory with state-of-the-art equipments** is a special attraction of the college. A separate **IT Lab** and a new **BCA lab** are also functional. To facilitate research and short term courses, a Tissue Culture Laboratory is also set up in the Botany Department.

Animal Cell Culture Laboratory

Very few post graduate teaching departments in the RTM Nagpur University, Nagpur have a functional Animal Cell culture facility. Department of Biochemistry and Biotechnology, of Dr. Ambedkar College, has been proudly providing student consultancy services for more than 10 years in the field of Animal Biotechnology. Postgraduate and Doctoral Students of Pharmacy, Dentistry, and allied medical fields are routinely availing the services for animal cell culture. We maintain various cancer cell lines for work related to tumour biology, drug development and screening, anti-metastatic potential analysis, toxicity and signalling profile etc. Cells are also maintained for modelling and in vitro screen for obesity, diabetes, Alzheimer's disease, and immunomodulation studies.

Spoken English: For a Refined Personality

DACN realizes that in today's age, language is the raw material for every successful craft. Hence acquisition of the highest professional skills demands a command over the English language. The institution thus assists the students in developing and refining their Spoken English and Writing Skills to make them confident individuals. Experts are invited to take special classes for sharpening the language skills of the students. **A Language Laboratory is also functional on the campus.**

Auditorium : Platform for Exhibition of Talent

A flood of activities hosted at DACN all round the year derive their glamour and glitter from the huge and spacious auditorium where they are conducted. This is the place that allows students at DACN to exhibit their talents. This enviable auditorium is the pride of the college and is aesthetically maintained with facilities for LCD, Overhead and Slide projectors, a big permanent stage with a sensitive public address system.

Classrooms : Hubs for Learning and Enlightenment

Spacious and well ventilated classrooms that are equipped with all modern technologies, is the hallmark of DACN. Studying here will only enhance the learning experience. With the overhead projectors and LCD projectors installed inside classrooms, they allow the use of modern technological aids to fulfill the needs of both, auditory and visual learners.

Seminar Hall - Media Center :

This facility is specially designed to facilitate Guest Lectures, Student Presentations, Slide Shows etc. besides viewing the UGC programmes through the Edu Sat. DACN also has TV-VCR-VCD systems for shows on various socio-scientific events and personalities. These are also used to show movies that are educative and this makes the learning process more innovative.

UGC Network Resource Centre : The World is a Click Away

With the world becoming a global village, it is important that students are in touch with all the happenings around the world and are updated in their own subject. DACN takes special cognizance of this need and has thus upgraded its internet system by installing a very Large Memory Broadband which is made available to students at subsidized rates.

Wi-Fi Enabled Campus : To Tune in with the World Outside

The campus is fully Wi-Fi enabled and provides wireless internet connectivity to tune in with the world without difficulty. (The students can register to obtain Login-ID and Password to avail this facility.)

Webinars 2020

In the difficult and testing times of COVID-19 Pandemic, to remain connected with learning environment webinars serve the best resource. Experts from across the world can use their digital platforms and connect with the audience globally through this revolutionizing technology. Dr. Ambedkar College, Nagpur adopted and popularized the use of digital knowledge disbursement through conducting a series of webinars impinging on various trust topics across the disciplines being taught at the college. Our College got the privilege to host a National Webinar on NAAC Awareness, in collaboration with Rashtriya Uchcharat Shiksha Abhiyan (RUSA), Maharashtra State and Joint Director, Higher Education, Nagpur Division. Similar National and international Webinars and online talks were arranged by different teaching departments of the college during the National Lockdown period to keep the students abreast with the current happenings in their respective fields through virtual learning platforms.

Wall Paper : Where Creativity comes Alive

The wall paper activity allows students to display artistically any new thoughts, ideas or readings or to share any poems composed or short stories authored by them. The latest news in different fields, some good words of great men, some useful thoughts..... the wall paper surely freshens a festured mind!

College Magazine : To Give Expression to Ideas

The College runs an award winning magazine called "DEEP" which means a lamp. So just as a single lamp has the potential to break the darkness of the night and also to light a hundred others with it, similarly "DEEP" helps to spread the light of knowledge and gives the students an avenue for expression of their ideas.

Industrial Visits : Scope for developing entrepreneurship

The College organizes various Industrial Visits to Companies and Manufacturing units in and around the city. This gives the students real time exposure to the current processes in the industrial sector. Such visits are often planned departmentwise to have exclusive interactions with specific industries.

Talent Search : To Capture the Right Talent

The students at DACN are always encouraged to participate in competitions like Debates, Elocutions, Quiz contests etc. which train them to organize their ideas in a systematic fashion and refine their presentation skills. These competitions are routinely held at intra-class or inter-class levels and they go a long way in evolving the personalities of our young learners.

Echo

Bi-annual Newsletter that keeps you updated about the activities and achievements of all departments in the college.

Rotaract Club:

To imbibe social responsibility in the minds of youth.

ECHO

Social Outreach Cell

We at DACN are humanitarian and believe in extending a helping hand towards the society to fulfil our social responsibility. Giving is not just about making a donation, it is about making a difference. The Social Outreach Cell of DACN is not only a charitable venture which takes care to reach out to the most needy and help them but it also reaches out to the community and creates an awareness in the society at various levels. This consciousness is generated by hosting and organizing educational awareness and social events and service projects. We share our sense of gratitude and responsibility towards the society. Sharing the experience of donating and being engaged in community outreach programs sets an example for the younger generation that they can learn to make positive changes in the world -Chhoti si asha by BCA Department, Goonj by Law, Joy of giving week by college.

DACN..... Reaching Out to Society

DACN is committed to moulding the young students into complete human beings. Hence we walk the extra mile to sensitize them to the needs of the society, for, we must repay the society not just in terms of money but also in time, thoughts and deeds.

The College has a Staff Council that makes generous donations and undertakes social service projects to help the underprivileged.

DACN regularly adopts a village in nearby areas. Here we conduct Medical and Eye check up, Community welfare and legal aid programmes. The NSS unit of the college also lends its hands along with the host of students to organize these programmes.

Come! Join our hands in these noble ventures and together we can change the world!

RESEARCH AND INNOVATION

Institutional Innovation

Council and Technology Incubation Centre

Dr. Ambedkar College, Deekshabhoomi, Nagpur has time and again shown an unflinching determination towards implementation of new and game changing methods for providing an unparalleled platform to its students. Once again, the college has demonstrated its commitment towards student success through delivery of quality outcome in the field of nurturing student entrepreneurial skills. Despite being a non-technical higher educational institute Dr. Ambedkar College, established an Institutional Innovation Council (IIC) and provided its students a forum to discuss and test new innovative business ideas with expert faculty members. The IIC at the college is coupled with a technology incubation centre wherein new technological innovations imagined by the students can be tested for obtaining a Proof of Concept (PoC). PoC can then be taken up further for prototyping and if found relevant even for intellectual property generation. The IIC of Dr. Ambedkar College brings in together the expertise of all its in-house faculty members and thus helps the budding student entrepreneurs to develop a thriving business solution. Within a short span of its establishment at the college the IIC got its affiliation to Ministry of Education (MoE), Government of India (GoI). One of the start-ups incubated at the college IIC and technological Incubation centre raised a seed round of Rs. 1.45 Cr and went on to be recognised as the Best Early-Stage Cancer Diagnostic Start up- South Asia 2021 by Global Health and Pharma's Biotechnology Awards 2022. Curo Biosciences Pvt. Ltd. Nagpur under the brand name of "ErlySign" has already started creating a buzz in the Health Tech industry and is backed up by Southeast Asia's giant in cancer care network called Health Care Global (HCG) Ltd. Another student entrepreneur, Mr. Priyal Dhunde working in agricultural pest management domain went on to receive the prestigious Global Student Entrepreneur Award of Rs. 1 Lakh at the regional level. With such success stories to its credit IIC at Dr. Ambedkar College, Nagpur also became the first ever non-technical HEI to receive the 2-Star Status from MoE, GoI and got listed in the prestigious Atal ranking of Institutions for Innovation Achievements (ARIIA) 2021 as one of the best Performing Institutions in India under the non-technical academia band. Dr. Ambedkar College, Nagpur wants to setup itself as a role model for all the non-technical HEIs in the region to participate in such national initiatives for the benefit of their students. With such initiative in the college, the students are encouraged to live up to their dreams and conceive innovative ideas which can be nurtured here to create a fertile ground for self-employment opportunities even for the students studying in non-technical/non-professional courses.

Sculpting Personalities out of Persons

National Cadet Corps (NCC) : To Fuel the Fire of Patriotism

A young and vibrant India needs values of discipline, unity and national integration much more today than ever before. This enables us to discharge with proficiency the duties of the most important office we hold i.e. of the citizen of India. The NCC functions with all vigour at DACN providing opportunities in parasailing, flying, gliding, trekking, sailing, range firing and its newly established Naval Wing for girls is the latest attraction.

National Service Scheme (NSS) : To Extend a Hand of Help

A thirst for learning must be accompanied with a compassionate and caring attitude towards fellow human beings. This programme enables the students to reach out to the less fortunate brethren in society and render some social service, making them responsible and complete human beings, sensitive to the needs of the society. The College, under this programme, also provides writers for the visually challenged students.

Seminars and Conferences : A Cross Pollination of New Ideas

Seminars and Conferences facilitate a very effective cross pollination of new ideas and research on different subjects. DACN boasts of having successfully organized 8 National level, 9 Interdisciplinary and 6 International level conferences and seminars over the past 13 years. Mighty rivers of thought flow on the stage of DACN at these seminars and conferences that widen the horizons of the mind. The teachers and the learners together benefit through these genuine academic enterprises. They boost the researching abilities of both of them and also leave some spillover effects like training the students into planning and allowing their organizational skills to blossom.

At DACN, students are those valuable, uncut diamonds which must be shaped and polished into glittering ornaments that would adorn the world. This polishing process cannot be accomplished only through lessons in classrooms. After all, DACN does not aim to produce mere 'degree holders' but its aim is to passionately engage in providing man making, character building, and personality enhancing education. A range of meticulously designed programmes help to unfold the hidden talents in students.

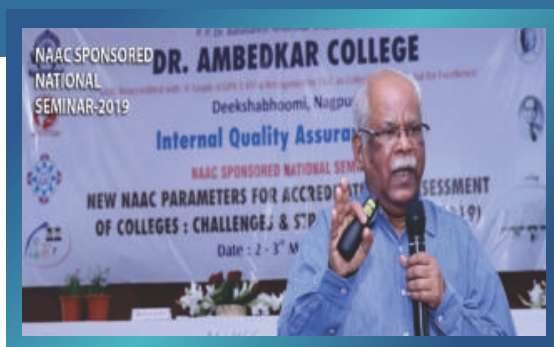

'Unnati': Signifying Progress

This is an indigenously designed 06 months training programme at DACN in collaboration with the Vidarbha Industries Association, Nagpur that is an exemplary endeavor to allow academicians, industry leaders and students to converge on a common platform. Personality development, Communication Skills, Soft Skills, Computer Proficiency and all requisites that go to make 'employable youths', is the hallmark of this programme. Robust industry interactions assist in the appraisal of the changing requirements of industry. Motivational HR lectures ignite in the students the zeal to be different. Thus this composite programme serves to plough the field of scholarship and competence in the students.

Entrepreneurship Development Cell : Earn while You Learn

DACN organizes Short Term Programmes in collaboration with Maharashtra Centre for Entrepreneurship Development (MCED). This is aimed at motivating students to take up self employment to produce giant entrepreneurs of tomorrow. It also gives impetus to the concept of 'earn while you learn'.

Guest Lectures & Group Discussions :

Igniting minds through participative learning: DACN has been at the forefront of facilitating guest lectures and interactions of students with some of the most erudite personalities in different fields. These interactions open the locked chambers of their minds and incite new ways of thinking and reflections. These Guest lectures are a real intellectual treat for hungry and questing minds. Also, group discussions at DACN foster participative learning. This is a regular feature at the institution which invites students to think seriously and speak confidently. Topics for group discussions range from serious academic subjects to contemporary social and political issues that hit the headlines, assisting them to face interviews very confidently in future!

LL.M. Course (Choice Based Credit System)

There are three specialization groups, out of which one group has to be opted by the students at the time of admission.

They are:

- 1) Group B - Constitutional Law and Administrative Law
- 2) Group D - Business Law
- 3) Group G- Criminal Law

(In each of the groups, 25 students will be admitted on merit) Each student taking admission to the LL.M course has to study eight compulsory courses irrespective of the specialization which he/she has chosen. Out of the eight compulsory courses, two compulsory courses are prescribed for first semester, two compulsory courses are prescribed for second semester, two compulsory courses are prescribed for third semester and two compulsory courses are prescribed for fourth semester. Further in each group of specialization, there are six optional core courses representing specializations offered and which are required to be studied for that specializations. Apart from the compulsory and the optional core course papers, the students have to select and study one elective core course paper in third and fourth semester each to be selected from the list of the electives provided for each semester or in the alternative the student can choose any one foundational course from the list of 41 foundational courses excluding the foundational course in law.

Please Visit : www.nagpuruniversity.org/syllabus for further details

SPORTS HUB

DR. AMBEDKAR COLLEGE SPORTS ACADEMY

Sports : For a Healthy Body that Houses a Healthy Mind

DACN realizes that all work and no play makes Jack a dull boy. And so an effervescent and active sports department of the College gives students a range of choices where they can just sweat it out and keep themselves active and toned. An independent Sports Academy is located in a picturesque setting facing a lush green and huge playground spread over 8 acres of land. The College also has a State-of-the-art Gymnasium, a daily work out at which, is the way to keep your body and mind fit and going. Aerobics classes are conducted in the morning and evening every day. The students can take the benefit of this to keep themselves lean and slim. The college team regularly participates in various local, state and national level competitions in sports like hockey, chess, football, badminton, tennis, cricket, basket ball, table tennis, athletics etc. There are camps which are repeatedly organized for various sporting disciplines. DACN has organized coaching camps in Cricket, Hockey, Football, Lawn Tennis, Archery and Chess.

Only Sports Academy that has its own Rehabilitation & Physiotherapy center.

DACN....THE BEST DESTINATION FOR LEGAL STUDIES

The Department of Law is another bright star in the firmament of the college. It is that temple of learning where seamless education and uncompromising professionalism is the order of the day. It is an institution where quality and excellence go hand in hand. It is not surprising that DACN is reputed today for producing the best of litigating lawyers.

Department of Law - Where zealous faculty members confluence with the finest of modern infrastructure

Resting on the bedrock of the finest infrastructure and visionary faculty members, the Department of Law, DACN is a name to reckon with. It is equipped with the highest number of full time faculties, who are the academic pillars of the Department. The Department is housed in a separate, state-of-the-art building. A campus that is wi-fi enabled, it has the unique features of spacious classrooms with LCD Projectors. It boasts of a rich library with a wide range and collection of books, journals, commentaries and e-journals. A special attraction of the library is that it has **one (out of the five) original copies of the Constitution of India**. A reading room, Moot Court Hall, and an exclusive Computer lab with an online access to the **AIR Web World** - all these unique features make DACN the best destination for those aspiring to wear the coveted black coat. A separate canteen is there for the Department of Law.

A hub of Activities

The Department of Law is a hub for wide ranging and innovative activities like debates, elocutions, quiz competitions, panel discussions, word games, law treasure hunt and many more....

Moot Courts

Law in theory and law in practice are streets apart. Hence to bridge this gap, moot courts are regularly organized which train the students into the art of drafting, argumentation, court mannerisms and all those things that go in to make refined lawyers. Moot Courts are thus the laboratories of law. A Student's Moot Court Association is also formed every year.

Teaching and Learning in Law

At DACN, we ensure that the study of law is not the study of a dull conglomeration of Sections and Articles in law books. Infact, at the Department of Law, the students and teachers in a unique collaboration, make the teaching learning process an enjoyable journey! Teachers in the Department adopt both, the traditional and modern teaching methods. They include audio-visual presentations, video recorded lectures of reputed jurists in the world, display of movies for educational purposes etc. Additionally, there is a focused emphasis on class seminars, student presentations and workshops. ICT enabled teaching-learning, with the use of Google Classroom for sharing study material e-content and web resources, Online lectures through various platforms, evaluation through online tests, quizzes and assignments makes education a very dynamic process at the Department.

Visits to Courts and other institutions :

The students are taken on visits to courts, police stations, forensic laboratories, central jail and such other institutions of practical importance for law students. Also, there is an educational tour of the students to New Delhi where the students are taken to the Supreme Court, Parliament, Indian Society of International Law, National Human Rights Commission etc.

Criminal Law Club:

This club facilitates various innovative academic activities in the field of Criminal Law. It also clubs with the legal aid centre to help students associate with lawyers to deal with criminal law cases that come to it. This enables the students exposure to the practical side of law in a meaningful way.

Skill Enhancement Training Programme (SETP) :

This is a comprehensive programme to inculcate professional skills amongst the students. With language proficiency and personality development as the key targets of this programme, we aspire to create a generation of professionally trained and socially sensitive citizens. This proficiency in soft skills resulting in the overall shaping of their personalities will be provided to the students at nominal fees in 2 modules.

Centre for Constitutional Law and Public Policy Debate:

This Centre is at the forefront of inviting students to engage into public policy debates. This is done through discussion forums and study circle activities to get students and teachers involved into new reflective ways of understanding Constitutional debates and public policy issues. Through its activities this centre injects dynamism in the study of law and keeps us tuned with the contemporary public debates.

Legal Aid Services :

The College aspires to create social engineers who are sensitive to the insatiable needs of the world's most populous democracy. Towards this end the department runs a Legal Aid Center which provides free legal aid services and counseling to the poor. The Department also organizes legal aid camps at nearby villages. Another socially sensitive initiative of the Department is to organize a legal aid cell and camp at Deekshabhoomi for the pilgrims who come in large numbers from all over India during Dhamma Chakra Pravartan Din. The students and teachers actively take part in the social cause of imparting basic legal education and legal awareness amongst the poor. Many of the legal aid activities of the Department are conducted in collaboration with the District Legal Aid Services Authority.

Law Vision A Mega Law Festival

Law Vision is a mega Law Festival that the Department hosts at the National level every year. The festival is a fine amalgamation of academic competitions, cultural events and sports. Over the years, Law Vision has emerged as the most successful event which students all across India eagerly await. This event not only provides a platform for the students to exhibit their academic and cultural talent, but also furnishes them an opportunity to interact with students from different law colleges in different parts of the country and also with erudite legal personalities.

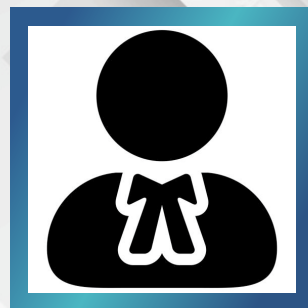

The Department of Law has been consistently producing University toppers, rank holders and gold medalists. We are proud of our young achievers!

Women's Development Cell :

To strengthen the women folk of the college, DACN has established a Women's Development Cell. Only strong, empowered women are the key to a strong nation! Hence the Women's Development Cell is designed to equip women with a vision for the future. It hosts activities ranging from entrepreneurship promotion, to self-employment for women etc. It also focusses upon health consciousness for women through workshops and lectures.

Student Mentoring :

To give you a hand of help to deal with your personal problems too, every teacher at DACN is a friend, philosopher and guide for the students.

Employment & Career Guidance Cell (ECGC) :

To update the students about different career choices and enable their interaction with experts and achievers.

Medical Aid Programme :

To assist you in case of a medical emergency by collaborating with multi-speciality hospitals like Rainbow Medinova, Sengupta Nursing Home, Dhande Hospitals.

DACN Family... Your Trustworthy Escort

At DACN, the students, teachers and parents are a family tied together in the eternal bonds of love and care. Hence though imbibing professional excellence is our vocal commitment, the college believes in looking beyond that too.

**DACN always remembers its students.....
even long after they have passed out**

The College has a strong ALUMNI ASSOCIATION. The ex-students of DACN meet at least once a year. They contribute newer ideas for the progress of the college and help us keep pace with the changing times !

Parent- Teacher Meeting :

To enable the parents, students and teachers to work in a unique partnership to ensure progress of every child.

Hematology Centre :

To help you examine your blood group free of cost.

Nature Club :

This club is the proud recipient of an award for "Wild Life Week Celebration" by the Maharashtra Forest Dept. for 4 consecutive years.

Psycho-Socio Counseling :

To help you deal with the inevitable stress of modern day life.

The college rests on the bedrock of the committed efforts of the entire non-teaching staff. Dr. Arun Joseph, the dynamic and workoholic Administrative Officer ensures the smooth functioning of all affairs at DACN.

Internal Complaints Committee :

This cell is constituted to ensure the safety of women and to protect them against any kind of discrimination at the place of work.

DACN values Its students ;

Suggestion Box : Where students can feel free to give their suggestions which will then be given a serious consideration.

Discipline Committee : Will enforce discipline on campus. After all, DACN is noted for its sense of integrity and discipline.

Insurance Cover :

The Unique Insurance Cover Policy covers all the students for Rs. 10,000/- under the Student's Accident Insurance Scheme.

Social Sensitization Programmes :

To sensitize young minds, we observe and celebrate different days like Women's Day, Constitution Day, World Ozone Day, Water Day, Wetland Day, Forestry Day and many more....

Differently abled students :

DACN is sensitive to the needs of the differently abled students and provides for ramps in the college campus and also has a special Braille's corner in the library for the visually challenged students.

TACKLING THE PANDEMIC

The grim grip of the Corona Virus Pandemic can never be forgotten. When the nation was caught up and struggling to overcome the throes of the dreaded disease, we at Dr. Ambedkar College left no stone unturned and with dedicated efforts provided the amenities of the college to facilitate as a Covid Care Centre where facilities of quarantine was made available for the affected populace of Nagpur city as well as adjoining areas. We displayed a spirit of compassion and care towards the afflicted.

Department of Physical Education has seriously and selflessly served as Vaccination Centre for the past two years during Corona crisis which is genuinely commendable. In addition to this, a day long Vaccination Camp for 18 plus age group was also organized by the Social Outreach Cell of the college in association with Zee TV. A large number of people participated in the program and 210 people got vaccinated with Covaxin and Covishield free of cost.

Food grains were donated along with daily essentials to housekeeping services personnel and security personnel during the pandemic. sanitizers, gloves and sports material were distributed at different places in the city. Beginning with the nearest one, sanitizers were distributed to the entire staff and some kept in reserve at Bajaj Nagar Police station. The premises of the police station was also sprayed with disinfectant. Sanitizers and hand-gloves were also given as a safety measure to the office of the Commissioner of Police. Shri. Ravindra Kadam, Joint CP and Staff received the donation and expressed thanks for the initiative taken by the college. Shri Kadam said that educational institutions have played a significant role in fighting the Covid -19 pandemic where NCC cadets have also contributed their time and energy into it. Surgical gloves and sanitizers were also donated to the health workers of Super Specialty Hospital, Nagpur. Sanitizers were distributed to the police personnel on duty at Variety Square, Sitabuldi, Nagpur.

While almost everyone was trying his level best to lend a helping hand to the affected people due to corona outbreak in the nation, Alumni Association of NCC Cadets, Dr. Ambedkar College, Deekshabhoomi, Nagpur too joined in the noble work. The alumni from 2004 batch onwards is active on WhatsApp group and many of them have not met each other, but the spirit of 'unity and discipline' that is the motto of the cadet organization keeps them all bound together.

ANNUAL CULTURAL FEST HARMONY

The Cultural Committee of Dr. Ambedkar College, Deekshabhoomi, Nagpur strives to celebrate cultural diversity in the form of a grand Annual cultural Fest “Harmony,” thus providing a vibrant platform for the students to showcase and enhance their skills and talents. Projecting a diverse range of theme-based performance, the “Harmony” features current and contemporary topics. Varied themes like “Salute Covid Warriors, Peace and Humanity” in the past have represented our gratitude towards Doctors, Nurses, Sanitation workers and all those who worked hard to save lives of corona Patients during Covid 19. Themes like “Azadi ka Amrut Mahotsav” portrayed soldiers and freedom fighters of India in the form of Dance. This fusion of music, dance, literary, musical instruments etc. aims to inspire students to grow, think innovatively and emerge as a pioneer in celebrating this diverse cultural heritage. “Harmony” is an excellent display of talent, competitive spirit and excitement to promote human and cultural values amongst the students. This cultural fest helps students develop a personality and grooms them other than the academics.

Yatra – A Journey through Nagpur, Vidarbha and Maharashtra

Yatra - A Journey through Nagpur, Vidarbha and Maharashtra is a novel student-centric endeavor which relates historical, geological and archaeological information about Nagpur, Vidarbha and Maharashtra. The students not only develop an awareness about their region but also embrace other educational experiences that fall outside their regular syllabus. It makes the students aware about the heritage places in and around Nagpur. And this is just the kind of personal development that can help the students stand out to compete outside your home territory. This kind of knowledge is imperative for anyone who is serious about pursuing public service competitive examinations or even global relations which work as part in advancing their careers.
