Program Date: 25th & 26th Feb 2019
Venue: Department of Computer Science ,Dr. Ambedkar College,Nagpur

Resource person: Mr. Ashish Gadpayle ,Director, APS Microtech Pvt. Ltd. ,Nagpur

Workshop Report

It is a good platform to address some academic issues/challenges/problems/ doubts etc. that support the stake holders to get deeper understanding on subjects and concepts. In connection with the same thought, Dept of Computer Science conducted a Workshop on 25th and 26th Feb 2019 for B.Sc. Part II - IV Sem students . The function started as the guest arrived. Dr. P.V. Nimbalkar, HOD, Department of Computer Science welcomed the guest Mr. Ashish Gadpayle, Dr. Avinash Hedaoo , Asstt. Prof. Dept. of CS, expressed his views on the occasion.

The program was followed by enlightening the students with the purpose and importance of Java language.

Some highlights of the java covered in the workshop:

1. Introduction to Java Programming concepts
2. Class, Objects, Methods, Array, String
3. Interfaces, Exceptions, Streams

The guest also emphasized on how this programming language differ from the other languages like C,C++. This comparative study helped students to get a clear idea about how the programming languages differ from each other .

Dr. P.V Nimbalkar proposed a formal vote of Thanks. More than 40 students of B.sc- sem-IV M.sc –sem-II were present on the occasion.
