Date: 29/03/2021

DR. MRS B. A. MEHRE
Officiating Principal
Dr. Ambedkar College,
Deekshabhoomi,
Nagpur.

The Induction Program for M.Sc. Semester-I of Department of Computer Science of Dr. Ambedkar College, Deekshabhoomi, Nagpur was held at 09:00 a.m. on Friday, the 02nd April 2021 on the ONLINE mode as per notice issued on Monday 29th March 2021.

The objective of this program was to familiarize the students to the new environment and get them acquainted with the institution culture. The induction program comprised of expert lectures, and campus orientation sessions. The rationale for induction was to ensure a smooth transition

for the students into the university system. A total of 21 students and 4 faculty members participated in this program.

The First Session was conducted by Ms. PurvaWagh Madam, she has given inputs about her own subject Digital Electronics and Microprocessor, and she told students about how to prepare the subject according to University system. She has motivated students by giving various motivational thoughts and small stories.

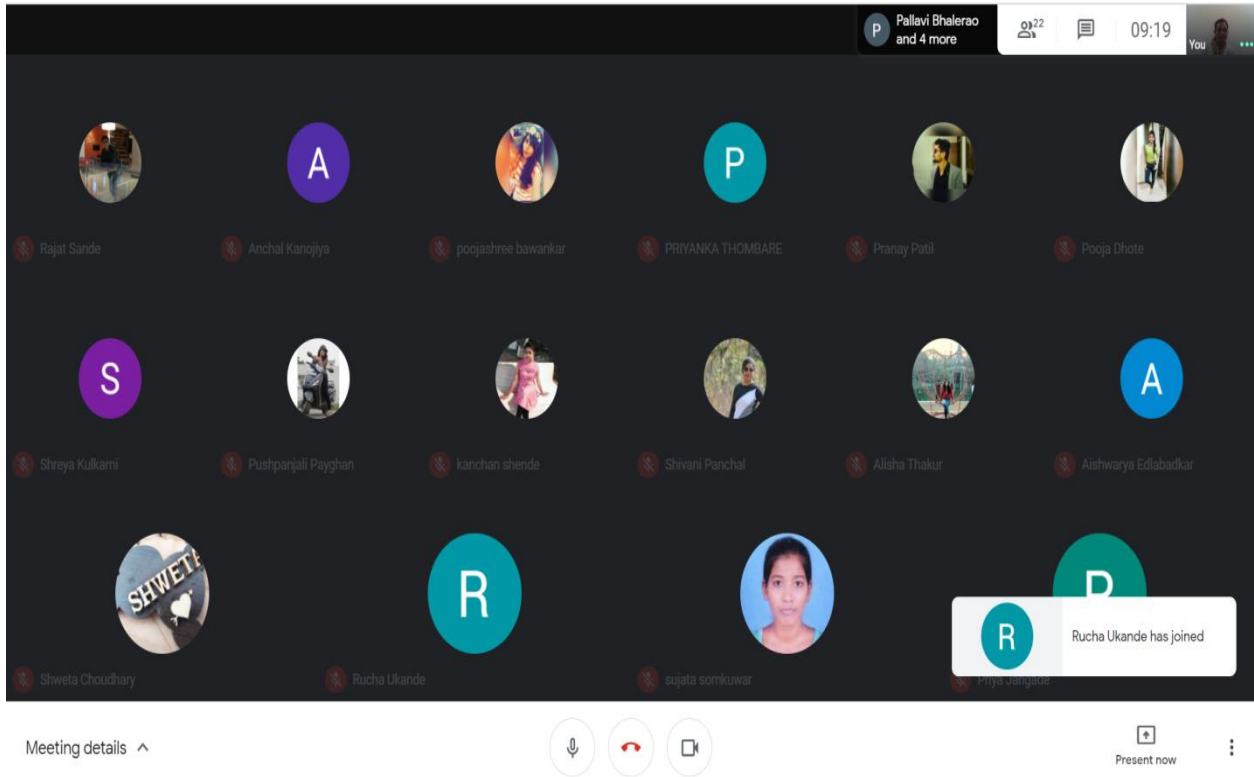

The Second Session was conducted by Ms. PoojaKavishwar Madam, she has given inputs about her own subject Advanced DBMS and Administration, and she told students about how to prepare the subject according to University system. She has explained the importance of research in Master Degree. Also guided students how to prepare for Ph.D. Program of University.

The Third Session was conducted by Mr. VijeetMeshram Sir, he has given inputs about his own subject Programming in Java, and he told students about how to prepare the subject according to University system. He has motivated students UGC-NET Examination. He has given brief explanation about UGC-NET Exam by making focus on How to prepare for the UGC-NET Examination? And most importantly what to prepare for the same examination?

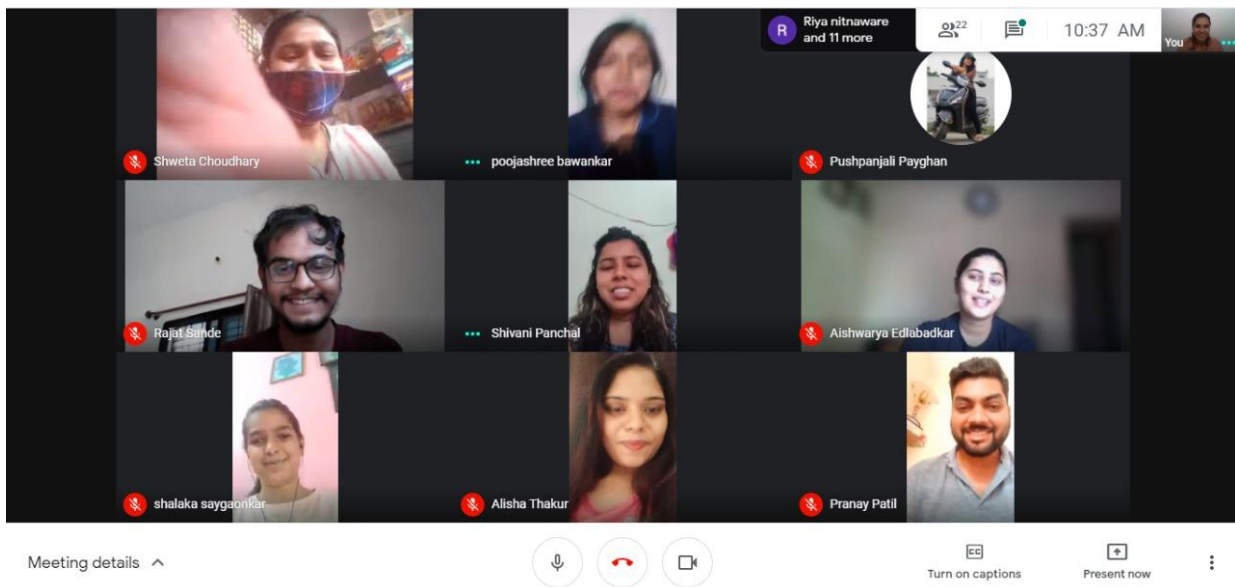

The Fourth Session was conducted by Mr. WinitAnandpwar Sir, he has given inputs about his own subject Discrete Mathematical Structure, and he told students about how to prepare the subject according to University system. He has also given information about Career Opportunities after M.Sc. Computer Science. He has concluded the session with above three session important points and given them more example to motivate student to pursue Ph.D. program and UGC-NET Examination.
