**Teachers Day Celebration by M.Sc Students**

**The Department of Computer Science had organized Induction program and students of M.sc-I and M.sc-II organised an event for Teachers Day on Monday 5th September 2022.**

All the students of M.Sc Computer Science had organized an event on the occasion of the Teacher's Day which is also known as the birthday of Dr Sarvepalli Radhakrishnan. The event was held at the IT Lab/ M.Sc Lab of the college . The

program started by paying homage to the photos of Dr. Babasaheb Ambedkar and Dr Sarvepalli Radhakrishnan. After that the Head of the Department and the teachers lightening the traditional lamp. Two students anchored the program and started the program by welcoming all the teachers by giving them a gift and a sapling. The Head of the Department was called on the stage to enlighten the students with his speech. The HOD guided the students with an inspirational speech. Then a student recited a poem written by her on the occasion of Teacher's day. A student also showcased her talent by signing songs. Some other fun activities and programs were also presented by the students. At the end other teachers of the M.Sc department were also called for giving a nice speech on Teachers day which all the teachers gave very nicely. After that the students also In the end, all the students thanked all the teachers for providing a great education. And the program concluded with a cake cutting ceremony and also some refreshments.
