

**NOTICE of the PROGRAM (Freshers Orientation)**

Intimation was circulated among the semester wise groups on social media

**JULY 30, 2019 FRESHERS' ORIENTATION/WELCOME**

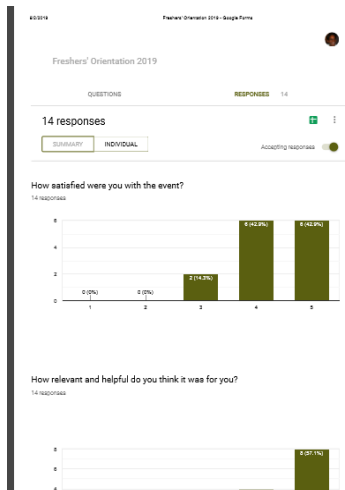

Students who have been admitted in first semester of CBZ and BCZ are called upon for an small interaction program in the Zoology department at 02.12 pm. All the departmental teaching and non teaching staf was present to be introduced to the newly admitted students and the introduction of every student was conducted. Dr RS Bagade chaired the function being the head and the departmental people were introduced to all. Dr AA Meshram spoke about the disciplinary aspects in

elaboration. Dr DVNS Suresh later with the help of a brief presentation demonstrated about the infrastructural and functional aspects about the department. The syllabus; the pattern of course and the examination pattern were presented before them by him. He then made the students feel easy with subject and faculty by some of the interesting facts of zoology. Dr Bagade concluded the program with a happy note of their three-year happy stay in the department
