

NOTICE of the PROGRAM (Guest Lecture 03)

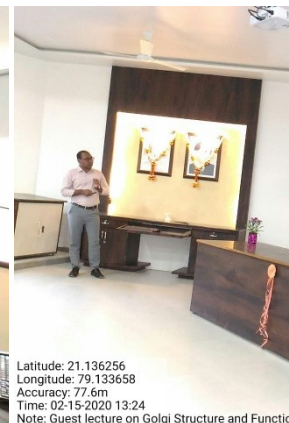

Intimation was circulated among the semester wise groups on social media

Program Guest Lecture 03
Date February 15, 2020
Guest Dr Deepak Meshram
Sheffield University, UK
Coordinator Dr R S Bagade & Dr DVNS Suresh
Venue Mini Auditorium, DACN

Department organized a student workshop on “**Golgi Structure & Functional Maintenance**” Departmental Head, Dr R S Bagade, and Dr Utpal Dongare of Department of Biochemistry & Biotechnology and Dr DVNS Suresh, Coordinator, ECGC-DACN were main coordinators of this program. **Dr Deepak Meshram, Sheffield University, UK**, delivered a lecture on Golgi complex of a living cell and its pivotal role in molecule modification and the and opportunities for higher studies and research avenues in biological sciences in India and abroad.

Glimpses

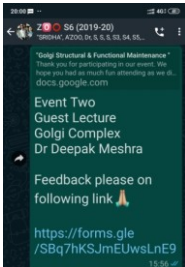

Outcome Golgi complex functions simplified
The higher studies' opportunities & research avenues in biological sciences in India & abroad

Time: 02-15-2020 14:02
Note: Guest lecture on Golgi Structure and Function

Post seminar individual queries answered.
