

ONLINE WEBINAR & ONLINE FORM SUBMISSION DRIVE

FEBRUARY 05, 2022

Under the MoU with Gadget Academy

We initiate in organizing the webinar or seminars for the outgoing as well as the second year students regarding the awareness about the staff selection and other job related exams and form filling process. On this day there were two sessions about the same for final and prefinal semesters of science graduation. Webinar concluded with student interaction with the speaker to clear up their doubts in context to the age eligibility, type of objective questions; form filling process, span of three exam n interviews to be conducted.
