REPORT

PARENT TEACHER MEETING

DATE: 08 APRIL 2019

VENUE: DADASAHEB KUMBHARE AUDITORIUM

The second PARENT TEACHER MEETING was organized on 08 April 2019 in the college.

Dr. Mrs. Pallavi Chopde, Vice Principal (Faculty of Arts); Dr. Mrs. Pratibha Siriya Vice Principal (Faculty of Commerce); Dr. K. G. Rewatkar Vice Principal (Faculty of Science) and Dr. Shailesh Bahadure (Associate Professor, Department of English) were present on the dais. Convenor of the PARENT TEACHER ASSOCIATION Dr. R. S. Bagde made introductory remarks to the gathering. He explained that the purpose of the meeting was to invite parents to take notice of their ward's performance in the course where he/she is admitted to and participation in various activities conducted by the college in the larger interest of the students.

Dr. Pratibha Siriya prominently focused on the mechanism of parent teacher meeting and mentioned that the feedback received from the parents stands important for the college to improve the practices.

Dr. K. G. Rewatkar said that the system of such meeting is developed with a higher aim to see that the students are satisfied with the course curriculum and other practices adopted by the college wherein overall development of students is guaranteed.

On this occasion parents of wards from different courses expressed their views and concerns over their ward's performance. They also expressed their expectations from the teachers and other staff in the college as well as facilities provided.

Parents were presented the record of attendance and periodical assessment of students.

Dr. Shailesh Bahadure proposed a formal vote of thanks.
