The Department of Botany has organized Online Google Classroom Plant Sciences Aptitude Test for B.Sc. Semester first students on 10th August 2019. Aptitude test is a type of assessment that evaluates students basic subject knowledge and inculcates competitive spirit amongst them. 12th standard level Multiple Choice Questions (MCQ) prepared based on plant sciences to explore students understanding on the subject. Aptitude Test results are divided in to three categories as Excellent, Average and Poor. It helps the faculties to render appropriate and exact counseling to the student. Aptitude test also useful for students to make prediction about success in subject and careers ahead.
