Guest Lecture

Dept. of Botany, Dr. Ambedkar College, Deekshabhoomi, Nagpur organized a Guest lecture of **Dr. Kanchit Thammasiri**, Dept. of Plant Science, Faculty of Science, Mahidol University, **Bangkok, Thailand** on 7th January, 2023. The lecture was organized for BSc. Botany students.

Dr. Kanchit Thammasiri gave an interactive popular talk on ***Orchids: Tissue Culture, Conservation & Bioprospecting***. He explained the basic and advanced techniques of Tissue Culture, Propagation, Cryopreservation, and Breeding of some orchid species. He emphasized application of modern tools and techniques in Orchid Production Technology, Conservation & Bioprospecting. He motivated the students to learn the basic concepts of working principle of various instruments used in Biotechnology and plant tissue culture. He also explained the need of conservation and bioprospecting of the local RET Orchid species, to save the endemic biodiversity for environment safety.

Dr. (Mrs.) B.A. Mehere, Principal DACN accorded Floral Welcome of the speaker and gave welcome address. **Prof. S.R. Somkuwar**, (Assoc. Prof. Head, Dept. of Botany) introduced Dr. K. Thammasiri while **Dr. Rahul B. Kamble** (Faculty Dept. of Botany and Coordinators Plant Tissue Culture) proposed formal vote of thanks. Visiting Faculty Members were also present on the occasion.
