**Aptitude Test for B. Sc I Students**

**DATE:- 26 JULY 2019**

Aptitude test based on the basic knowledge of the students was conducted on 26<sup>th</sup> July 2019. 83 students appeared for the test. Analysis of the result shows that 14 % students scored 100% marks, (above average), 68.67% students scored within 70% to 100% marks (average) and 16 % students scored below 70% marks (below average). Department will pay more attention to the students scoring below average marks by monitoring their class attendance, test examination and devoting more time to guide them properly. Bright students and average students will be given proper attention in order to boost their knowledge and to get good score in the examination.
