**“Hands on training towards awareness of experiments”**

**Date: 17/08/2019**

A workshop for students on “Hands on training towards awareness of experiments” was conducted in the Department of Physics on 16<sup>th</sup> and 17<sup>th</sup> Aug. 2019. The workshop was formally inaugurated at the hands of Dr. K.G. Rewatkar, Head of the Department, Department of Physics. All the teaching and non teaching staff members were present on this occasion. The aim of the workshop was to make all the students of the department aware of all the experiments which are to be handled by the students of B.Sc. classes during their practical hours. They were given the basic knowledge about the experiments like apparatus required, maintenance of the circuit boards, instruments, batteries, transformers, resistance boxes, oscillators, multimeters, soldering method etc. They were also introduced to instruments in the department like Cathode Ray Oscilloscope (CRO), e/m by Thomson’s method and many more such equipments. Large number of students got benefited by this program.
