

Induction Programme (2020-21)

Department of Physics, Dr. Ambedkar College organized an induction program for the fresh entrants to M.Sc. (Physics) on Monday 1st February 2021 at 11:00 am. The objective of this program was to acclimatize the students to the new environment and get them acquainted with the institution culture. The rationale for induction was to ensure a smooth transition for the students into the college and department system. Dr. A. R. Bansod welcomed students and congratulated them for their admission to the college and become member of Physics Department. He also projected the Department Profile, with limelight on the achievements and best practices; alongside stressing upon discipline and norms at Department. Dr. N. S. Meshram inspired student to participate in other extra-curricular activities. He encouraged students to develop the ability to transcend subjective knowledge to the application of the subject in real life situation.

Dr. K.G. Rewatkar, Head, Department of Physics, highlighted the importance of Physics and career building. Having given the warm welcome to the students, he appealed the students to utilize maximum resources at the most of their capacity for academic enhancement. He emphasized the importance of core values i.e. dedication, discipline. All the teaching and non-teaching staffs were present for the program.
