Teacher in charge

Dr.N.S.Meshram

  
Dr.A.N.Wazalwar

Head of Department  
Department of Physics

The Department of Physics of Dr. Ambedkar College Deekshabhoomi Nagpur organized an educational visit to the English Department of the college on November 16th, 2022. The purpose of the visit was to provide the students with an insight into the language and to foster a better understanding of the English language. The visit was attended by a total of 20 students, who were divided into two groups. Each group was given an hour to explore the department and interact with the English teachers. During the visit, the students were shown various English books and were able to get an overview of the language. They asked questions and were given insight into the subject matter.

The students were also taken on a tour of the English labs, where they witnessed various experiments carried out by the teachers. They were able to understand the importance of language and its application in various aspects of life. The students also had an opportunity to discuss the topics related to English with the teachers and were able to learn about the various nuances of the language.

Overall, the educational visit was a great success and the students were able to gain valuable knowledge about the English language. The visit was an eye-opener for the students and has given them a better understanding of the language
