## REPORT

The Department of Commerce organised a guest lecture on Former Governor of RBI, Honourable Shri C.D Deshmukh at 11.30 am on 14th Jan, 2022 under the aegis of stalwarts of commerce through zoom app. Mr.SiddhartRaut, Senior Manager, Bank of Maharashtra was invited as the speaker for the guest lecture. Dr.Mrs.B.AMehere gave a warm welcome to the guest and Mrs.VarshaPanbude, Head of the Department, highlighted the importance of the lecture and its need. The session was coordinated and hosted by Mrs.Shefali S. Chouksey .It started with the brief introduction of the guest by Mrs.Shefali S. Chouksey.

Mr.SiddhartRaut started the session by giving a brief introduction of Shri. ChintamanDeshmukh ,who was born on January 14, 1896 at Nata, near Fort Raigarh, in Maharashtra, in a land-holding family with a tradition of public service. His father, Dwarakanath Ganesh Deshmukh, was a respected lawyer and his mother, Bhagirathibai was a deeply religious lady. After India attained independence, Deshmukh was appointed as one of the members of the Planning Commission in 1950. He went on to become the finance minister the same year and was closely involved with drafting of the first and second five year plans.

After that speaker discussed major contributions of the personality to RBI appreciating his vision, he was aware of the fact that in order for the country to grow, its pillars must be strong. The rural area of the country covered the maximum proportion. He established the Industrial Finance Corporation and focused on the promotion of rural credit. It was in his tenure when RBI invested heavily in the Research and Statistics department. Demonetisation of bank notes of ₹ 500 and above was undertaken by C.D. Deshmukh, to help curb black money and other threats to the economy of India.

The speaker also gave an insight on the personal life of C.D Deshmukh and referred to his autobiography that if in the future he was at all remembered, it should be for nationalising the life insurance business. Such was the importance he attached to this major reform in the financial sector. LIC has now grown into a financial giant and is able to face competition successfully. Many live examples were given to inspire students with brief introductions on all fields and his vision had been more than fulfilled in that for all the Five-Year Plans put together, LIC had financed ₹ 17.52 lakh crore as of December 2014— a significant contribution towards fulfilling the vision of Deshmukh Sir . Truly, people's money for people's welfare.

At last, the vote of thanks was delivered by Ms.DurgeshNandini and concluding remarks were given byMrs.Shefali S. Chouksey. She expressed special gratitude to the speaker Mr.SiddharthRaut for his in depth and engrossing insights.Around 38 students participated in this webinar. The session proved to be a great success and positive feedback was received wherein students stated that they were benefited and would like to attend more such sessions in future.
