REPORT

Learning is the process of acquiring new knowledge and skills to shape the future of students. It is extremely important for students to acquire new skills to gain competitive advantage in every dynamic world. From this viewpoint, the Department of Commerce launched a new program **“TALLY INTERNSHIP PROGRAM”** through **“LEARN AND EARN”** Basis for the Project Titled **“Accounting and Reconciliation of Grant” of Maharashtra Prathamik Shikshan Parishad, Mumbai, Government of Maharashtra** in collaboration with M/S. V B Sharma & Company (Chartered Accountants), Nagpur during 21st November 2021 to 6th January 2022 at college Computer Lab.

For this program, students were notified through notice and were encouraged to fill the google form so that they can acquire their skills in tally. After analysis of information collected from students, those who had existing experience or skill set in tally were given priority. Head of department commerce, Dr. V. V. Panbude guided the students for the same. Tally internship was mentored by faculties and students were trained by V B Sharma & Co. (Chartered Accountants).

There were about 90 students from B.Com and M.Com having knowledge of Tally etc. applied for internship and accordingly an aptitude test has been conducted to shortlist the students. There were 53 students shortlisted for internship program.

Under this program, students were introduced to the Tally Software and the world of computerised accounting. The objective of this program was to enhance the skill set of computerised accounting and tally to make students eligible for working in a corporate environment.
