Report

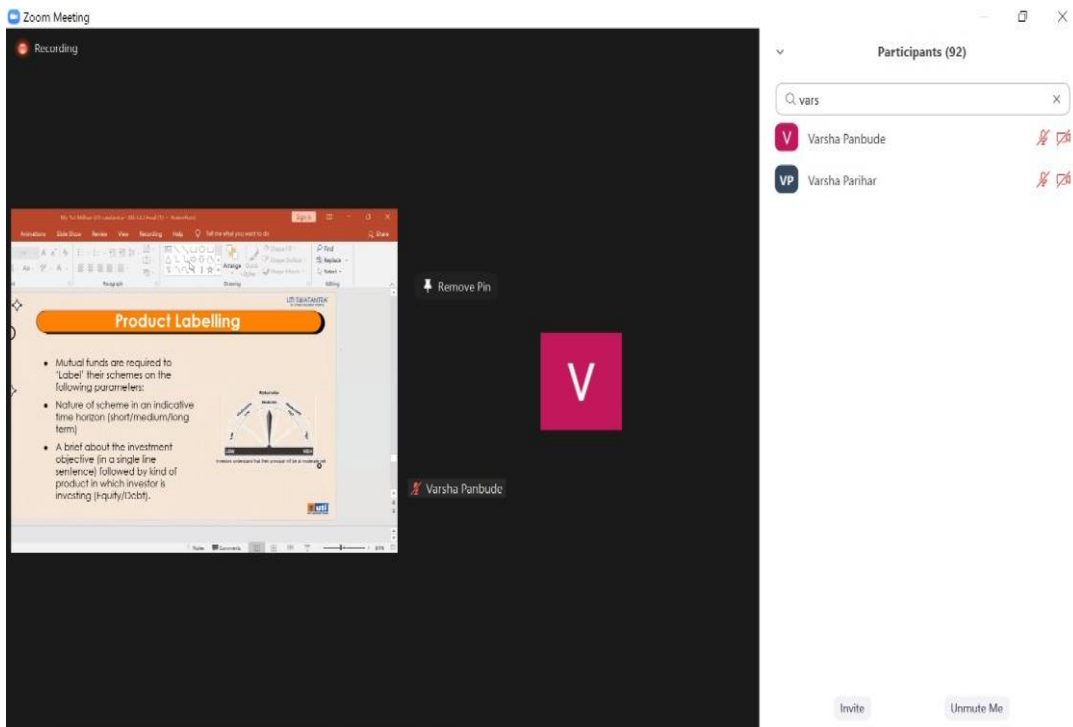

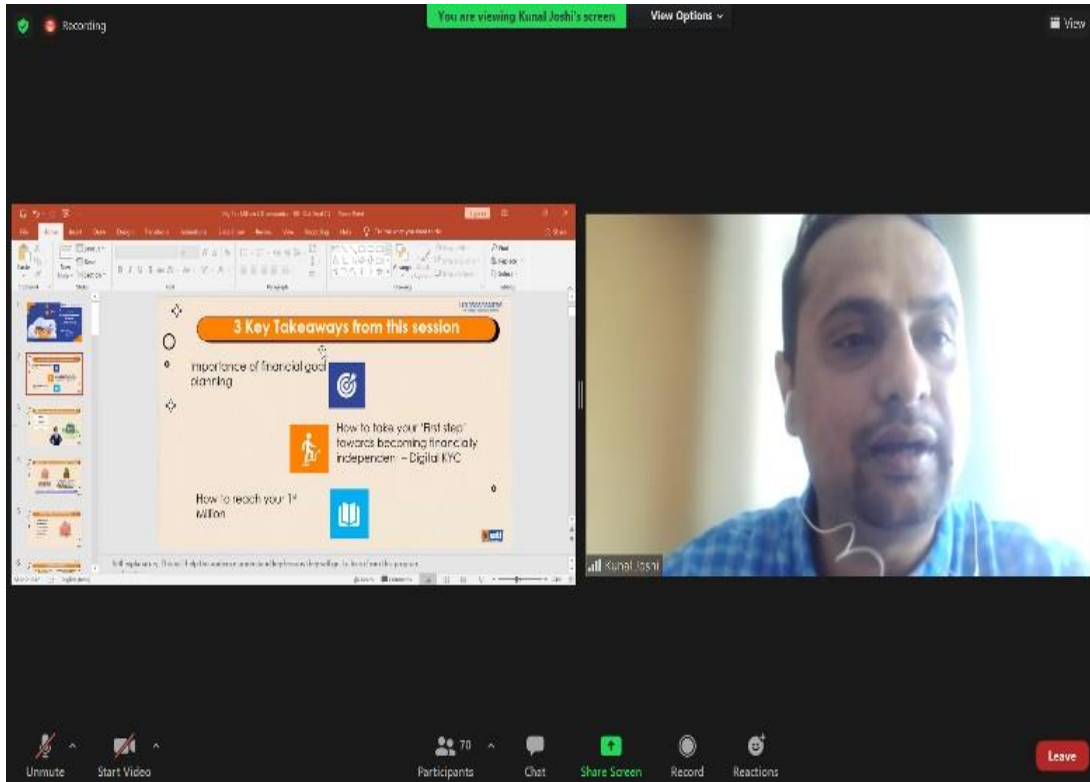

The Department of Commerce organized a webinar in association with UTI Mutual Fund on the emerging topic "Wealth Awareness" at 10 am on 18th October, 2021 through zoom app. Mr. Kunal Joshi was invited as the speaker. Dr. Mrs. Varsha Panbude , Head of the Department, gave a warm welcome to the speaker. The webinar was co-ordinated and hosted by Mrs. Shefali S. Chouksey.

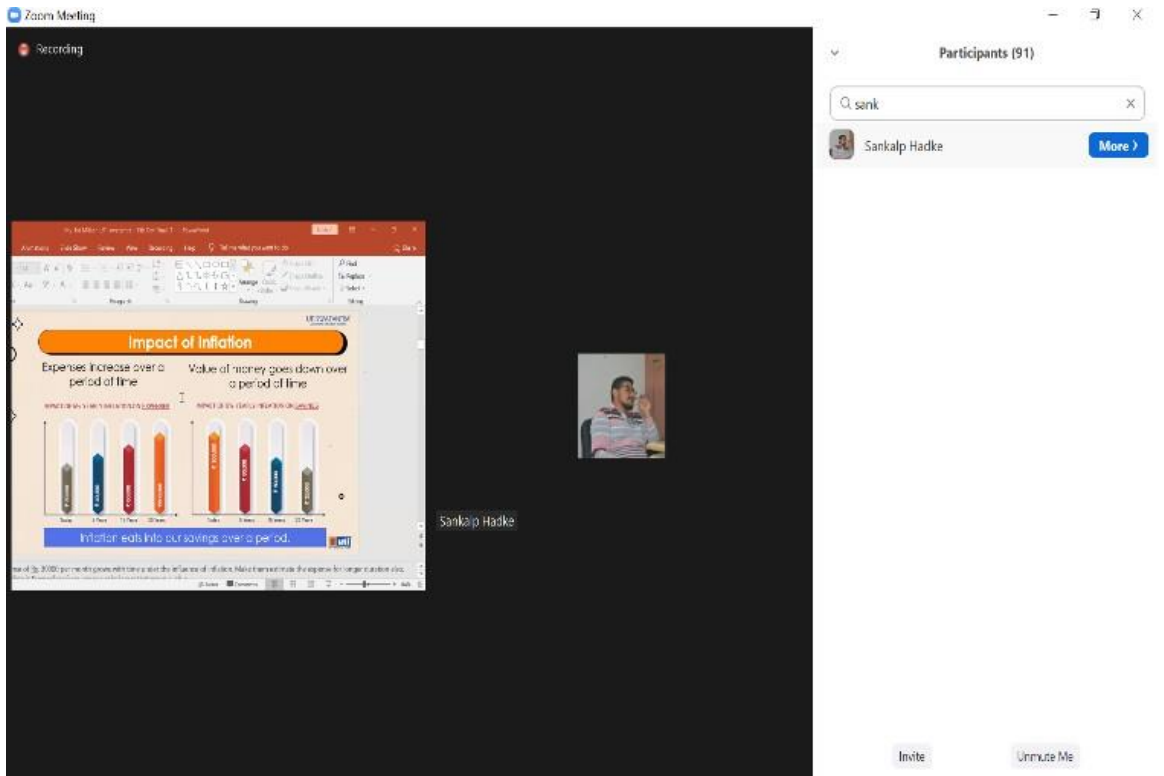

The speaker highlighted the importance of financial goal planning. Financial planning is very important in everyone's life. He stated that saving and investing both should be done by everyone for running a smooth and stable life. There is a huge difference between saving and investing which was wonderfully explained by Mr. Joshi.

Only saving is not enough. Smart investing helps for long term profits. During Inflation expenses increase over a period of time and value of money goes down over a period of time. Inflation eats into the savings creating issues for investors. He also explained various options for investing such as investing in share market, mutual funds and crypto market where one can get good returns after a few years. Mr. Joshi gave a brief knowledge of SIP(Systematic Investment Plan) which is a method of investing a fixed sum at a regular interval, in a mutual fund scheme. It is one of the best saving schemes for investing suggested by him. Covid situation has taught the importance of saving and investing too. Savings allows everyone to enjoy greater security in life. Investing ensures present and future financial security.

After that the round of questions and answers were taken in which students were free to ask their queries to the speaker. At last, the vote of thanks was delivered by Mrs. Shefali S. Chouksey and concluding remarks were given by Dr. Varsha Panbude. She expressed special gratitude to Mr. Kunal Joshi Sir for his effective presentation on Wealth Awareness. Around 47 students participated in this webinar. The session proved to be a great success and positive feedback was received wherein students stated that they were benefited by the financial knowhow given to them and would like to attend more sessions in future.

Webinar Screenshots
