# Dr. Ambedkar: 'Symbol of Knowledge'

## Lecture on the occasion of World Knowledge Day

---

On the occasion of World Knowledge Day, Lecture was recently held on '**Dr. Ambedkar: Symbol of Knowledge**' at Ambedkar College Deekshabhoomi Nagpur. April 14 Dr. Babasaheb Ambedkar's birthday is celebrated as 'World Knowledge Day.' On this occasion, a lecture program was held on 19th April, 2022 by the Department of History, Political Science and Pali Prakrit.

The keynote speaker was Dr. Gautam Kamble, Treasurer of Association for Social and Economic Equality and is a scholar of Phule Shahu Ambedkarite thought. He gave important guidance on the subject of Ambedkar's Symbol of Knowledge. The lecture was presided over by Dr. B. A. Mehre, Principal of the College. While expressing his views on the above topics, Dr. Gautam Kamble said that, Dr. Babasaheb Ambedkar was a creator of the age. The creator of the age is such that he can create whatever he wants. Dr. Ambedkar's persistence and perseverance transcended his knowledge. He studied 54 courses. He used to study for eighteen hours because he was hungry for knowledge just like he eats when he is hungry.

About him, Dr. Bhadant Anand Kausalyayan used to say that Siddhartha Gautama became Buddha to understand the sorrows of the world and Dr. Babasaheb Ambedkar became Buddha to give wisdom to the world. While warning the students, Dr. Gautam Kamble said, do not take any shortcut while acquiring knowledge. Understand the difference between information and knowledge. In today's age of technology, with the advent of information tools, there is no longer any need for them, but there is a real need for knowledge. In presidential address, the principal of the college, Dr. Mehre, spoke about how much effort Babasaheb Ambedkar had to put in to acquire knowledge. We notice it after looking at their degrees and bibliography.

The students were asked to use the vast collection of books available about Dr. Babasaheb Ambedkar available in the college library to know the works and deeds of Dr. Babasaheb Ambedkar. The introductory lecture was given by Dr. Avinash Fulzele, Head, department of History. In it, he explained the role of organizing this event from his introduction.

He said that the program was organized to inspire the students about the work of Dr. Babasaheb Ambedkar. The program was conducted by Dr. Mohan Wankhade, Head of Pali Prakrit Department. Rutuja Latkar, a student of sixth semester of BA, expressed her gratitude.

Dr. Varsha Panabude, Dr. Sujit Chavan, Vikas Sidam, Umesh Patil, Dr. Harish Bawangade, Prabhakar Badole and a large number of students were present
