NAME OF ACTIVITY: VISIT TO MATOSHRI OLD AGE HOME, AADASA

Date: 16th January 2019

A visit to Aadasa old age home was conducted on 16 January 2018, during the visit approximately all students of psychology department were present. As soon as students reach there they were overwhelmed with emotions as if they were our own old relatives.

During the visit Mr. Chandan Batwe, caretaker of old age home gave information about Matoshri Old Age Home. No sooner did the students interact with old people than they realize that we are really lucky to have own family with us and then the caretaker introduces some of the old people and describe their journey to here. Students spend whole day with the inmates of the old age home, shared food and happening of life.
