DACN

A Five Days Certificate Course on "Psychological Testing" was organized by Department of Psychology during 6- 10th February 2018.

Day One:

Inauguration and Guest lecture on “What is Psychological testing” by Prof Shankar Bhusari.

Mr. Bhusari inaugurated the certificate course and described what is psychological testing in brief. He explained different parameters of psychological testing in various areas and time frame. His lecture was followed by question answer session wherein students asked some questions on psychological terms related with testing and they were very well answered by Shri Bhusari.

Day Two:

Dr. Deepa Balkhande from Binzani Mahila Mahavidyalaya, Nagpur, delivered lecture on “Application of Psychological Testing”. Testing is a very complex term but she suggested to handle it with an open mind. She stated that individuals who are good in at least one particular area can easily solve any complication in any field. The practical application of psychological testing in the various field of Psychology was very well described in a suitable way by Dr. Balkhande.

Day Three:

Dr. Shailesh Bansode from Vasantrya Naik Government Institute of Arts and Social Sciences, Nagpur (Old Morriss College) delivered a lecture on “Qualitative Methods”. Qualitative method is a commonly used method in the field of Psychology, because this method seems to be a complex method in this field. The types of qualitative methods were presented in simple terms to the participants.

Day Four

A lecture on “Types of Tests” was delivered by Mr. Shankar Bhusari on the fourth day. There are various types of psychological testing in the field of psychology. Mr. Bhusari is well known for psychological testing. The way he delivered the lecture on day one that he was again called back on the demand of participants. He described types of test before participants such as I.Q testing, Personality test, Aptitude test, etc. He also discussed how to test and diagnose different cases.

Day Five :

Exhibition of Psychological Tests and Certificate Distribution

An exhibition on 'Testing' was also organised on the last day of the certificate course where psychological tests were displayed. Exhibition was inaugurated by Dr. P.C. Pawar (Principal of the college). Students of Psychology actively participated in this exhibition. In this exhibition students prepared some charts and posters to display. In this exhibition faculty from other departments also visited and tried the tests such as IQ test, Goal setting, etc. After the exhibition, certificates were distributed to the participants.

Ms. Rohini Meshram & Ms. Mangala Waghmare organized the course.
