Nagpur.

On the occasion of “World Mental Health Week”, Psycho-Social Counseling Cell’ arranged a Short film on Depression on 16th October, 2019.

Now a day’s, depression is most commonalty seen disorder among all age groups. Depression affects their day to day life as well as their progress in various fields. In youth, depression can be seen because of many reasons; it may be failure in academics, relationship or adjustment. Mostly people ignore the symptoms of depression. Relatives and family members are also do not pay any attention to the person who faces depression. So for awareness, Counseling Cell organized to show a short film named “Let’s talk” on depression, Directed by Saket Ladsawangikar, Produced by Arvind Pakhale.
