CLOUD COMPUTING & INFORMATION SECURITY

By

Mr. Anil Tatode, Cloud Computing expert & Trainer, University Campus, Nagpur.

Date : 24th September 2019

REPORT

BCA department has organized guest lecture on “Cloud computing & Information Security” on 24th September 2019 at mini auditorium of our college. The speaker was Mr. Anil Tatode, Cloud Computing expert & Trainer, University Campus, Nagpur.

In his lecture he described the issue of knowledge gap between IT graduate and Industry expectations. He emphasized need of bridging this gap by speeding up with technology. He introduced cloud computing and information security

Mr. Anil Tatode focused on how business is becoming virtual and uncertainty of business makes Cloud indeed a necessity. He also discussed issue of information security in the era of Information. On further elaboration he said cloud and security goes hand in hand and expertise in this domain would fill up the gap between Industry and students

He also mentioned about Campus Recruitment process and Role of proper Curriculum vitae for job opportunities, on closing remark he said “unless We change with technology, we don’t deserve to be part of technology.

This lecture helped students to understand ever changing nature of IT Industry and prepared them for careers pathway ahead.

The guest lecture was coordinated by Dr. Prakash Bhongade, Dr. Harshala Pethe, and Ms Shama Khan. The faculty members Dr. Prashant Yende, Ms Priyanka Soitkar, Ms. Anuradha Bhattad, Mr. Vaibhav Bhagwat also attended the session. The program was completed by Tejas Shastri and vote of thanks was given by Hardik Rahangale.
