**DATE: 27<sup>TH</sup> AUGUST 2019**

**TIME: 11:00 AM TO 1: 00 PM**

**REPORT**

BCA department had organized the guest lecture on “Recent Trends and Opportunities in IT Sector” on 27<sup>th</sup> August 2019 at Mini Auditorium, in which 70 students attended from BCA final year. The speaker for the lecture was Mrs. Pratigya Thakur, Consultant, Unisoft Technologies, Nagpur.

In her lecture, she discussed about what are the expectations of IT industries from fresh graduates. She also mentioned the current development in IT industry. The main motive of the lecture was to guide the students in their career goal and to build strong future in their successful path.

Mrs. Thakur mainly focused on the areas where the students are lacking and to achieve their credential by taking different certification courses like JAVA, SQL, LINUX, etc. Through this the students can plan for their future prospective after BCA. She also spoke on current trends in IT sector and demand of IT professionals in market. She discussed about the current trends in Information Technology and its influence on the IT culture and career. The speaker gave idea about the different levels of hierarchy in a company and what different software are used on which the developers are working. She also spoke about the importance of certifications from MicroSoft, Oracle corporation etc.

This session greatly helped students for a better understanding in their career paths, by identifying specific skills needed for their success.

The guest lecture was co-ordinated by Dr. Prakash Bhongade, Dr. Harshala Pethe and Ms. Shama Khan. The faculty members Dr. Prashant Yende, Ms. Priyanka Soitkar, Ms. Anuradha Bhattad, Mr. Vaibhav Bhagwat also attended the session. Program was compered by Akshay Charde and vote of thanks was given by Aishwarya Harkare, student’s of BCA Sem V.
