Analysis of Aptitude Test

Plan for Weak Students:

For improving the performance of weak students, we planned to conduct the remedial classes on every Saturday for one hour on different topics such as Computer awareness, Current affairs, Reasoning Ability etc. We also planned to conduct shorter test and long test. By mentoring process we will keep track on their performance.

Plan for Best Students:

For improving the quality of Best students we planned to shine these students in Competitive examinations and University Merit list. For achieving this we are planning to give them to solve the previous Competitive examinations Papers and University question papers. Also conduct the doubt sessions for these student to improve their performance.
