PTM REPORT

A Parent – Teacher meeting was held for the students of the III Semester (5 years course) students on Saturday, the 8th January 2022. The same was held in the online mode on Google meet. A total of 30 parents attended the said meet.

The meeting began with a Welcome address by the Head of the Department Dr. Hema Menon. The parents were apprised of the attendance status of their wards. They were also made aware about the submission of assignments in different subjects. Also, the parents were made aware about the different kinds of activities organized by the Department for the students. The teachers urged the parents to encourage their wards to participate in all these different activities. Specifically the Department had organized a judgment analysis competition, PIL Drafting Competition, Constitution Day Annual Oration and Students' Moot Court Association Installation Ceremony. These activities were all told to the parents. Also the teachers called upon the students to register for the forthcoming Moot Court Workshop which is planned for the 22nd Jan 2022.

The class-incharge teacher Dr. Pratima Lokhande informed the parents that they must check the Google Classrooms of the students regularly to get an update about the performance of the students. The teachers urged the parents to collaborate with them to help in the academic progression of the students, especially during the present pandemic period when the students have been off from the campus.

After informing the parents about all this, the platform was left open for an open interaction.

The co-ordinator of the PTM Dr. Varsha Deshpande conducted the proceedings and proposed the vote of thanks.
