WEBINAR
ON
Trends and Opportunities in Cloud Technology
and Information Security

Organised by
Department of Robotics and Cloud Technology, RTMNU
In association with BCA Department, Dr. Ambedkar College,
Deekshabhoomi, Nagpur.

Date: 6th October, 2020

REPORT

BCA department has organized a webinar on “**Trends and Opportunities in Cloud Technology and Information Security**” on **6th October 2020** via **Google Meet** for BCA Sem V. The speaker was Mr. Anil Tatode, Cloud Computing expert & Trainer, University Campus, Nagpur.

In his lecture he described the issue of knowledge gap between IT graduate and Industry expectations. He emphasized need of bridging this gap by speeding up with technology. He introduced cloud computing and information security

Mr. Anil Tatode focused on how business is becoming virtual and uncertainty of business makes Cloud indeed a necessity. He also discussed issue of information security in the era of Information. On further elaboration he said cloud and security goes hand in hand and expertise in this domain would feel up the gap between Industry and students

He also mentioned about Campus Recruitment process and Role of proper Curriculum vitae for job opportunities, on closing remark he said “unless we change with technology, we don’t deserve to be part of technology.

This lecture helped students to understand ever changing nature of IT Industry and prepared them for careers pathway a head.

The guest lecture was successfully organised under the able guidance of Dr. Prakash Bhongade (HoD, BCA dept) and coordinated by, Dr. Harshala Pethe and Ms. Priyanka Soitkar. The faculty members Dr. Prashant Yende, Ms. Shama Khan, Mr. Vaibhav Bhagwat were also attended the session.

Kindly give your valuable remarks about this webinar.

The way of explaining concepts were too good

Great and Excellent

100/100

It is good and informative

Excellent

Nice

It was a great experience

Nothing all information is useful and good

Best webinar

It was really great..

The webinar was very informative And some examples was based on real life events , so it was very relatable.

Good

Very interesting and useful information for lifetime

It was jst awsm graped all the knowledge about business nd companies also

It was very informative and skill based webinar.

From this we get to know many things about the trends and cloud technology Thank you so much for such a good guidance

It was really good....we learn alot of things from this webinar

it was very informative. the presentation good. it will be help full

Informative webinar

It's really helpful

Firstly thank you so much for the webinar.

The session was really very good.

I gain lot of information about cloud technology as well enjoyed the session also.

This webinar is excellent for all because the information has given us is very important and useful in future so thank you so much sir for given such a great webinar

At the end of the day we have gain knowledge on cloud technology

This is greate and very helpful webinar for us. We can learning many thing that how cloud program works and what is the apportunities of it.

Superb!

It was very helpful and informative

Nice

"I found this meeting really helpful. One of the most enjoyable and informative webinars I have ever attended. Thank you for organizing and a very special thanks to the great speaker!" That's more like it.

Webinar was informative and nicely conduct.

It's much knowledgeable .

It is very useful information provided by sir and i realy like to attend such type of webinar in future

Excellent

Webinar was good

Its very helpfull

It's really very good session .

not interested

Pls tell what should we do that will benefit us , we have lot of time now,

Suggest some online courses etc.
Informative
Excellent information
Good
Very good webinar...I gain so much information from this webnir..I understand overall concept of cloud technology specially the example of telephone.
Best Webinar for best information
The webinar was very informative and interesting
Useful session
