“Student Interaction with the Alumni”

Date: 23rd October 2021

REPORT

BCA Department organized a student interaction meet with the Alumni on 23rd October 2021 at 12:30 pm to 2:00 pm on online platform Zoom. Alumni from the very first batch 2009 passing till 2020 pass outs were a part of this meet. The motto behind conducting this meet was to let students know the career graph after BCA and the job opportunities in various sectors by the Alumni itself.

In this meet, the alumni discussed about how they opted for the campus placement just after BCA while a few opted for a PG course like MBA or MCA. Students had the background of working in IT companies like Wipro, CapGemini, TCS, FIS Global, Deloitte, Infosys, Tech Mahindra, Z-S associates, HRS group and so on. We also had alumni who opted to choose their career in banking sectors after BCA and are currently placed in Bank of Baroda, Bank of India, and Allahabad Bank. The Alumni discussed about their experience in different companies, the projects they have worked on, the designations they had and current technologies which the company is expecting from the fresher to work on. They also geared up the students to prepare for the Aptitude test which is the preliminary round for every student who appears for the campus placement. The students mainly focused on the following points:-

- What after BCA?
 - Placement or PG Course
- Is internship compulsory before placement?
- Which books to refer for Aptitude test?
- Can we opt for a distance PG Course while working in Company?
- Does the company provide with any course during our working?
- Which certificate courses shall we opt for while studying BCA?

The interaction session was successful as the students were receiving proper guidance and tips from the Alumni. This session turned out to be fruitful for those opting for placements as well as for those who are looking forward for a PG course. **Dr. Mrs. B.A.Mehere** mam, Principal, DACN gave welcome address and introductory speech was given by **Dr. P.S. Bhongade**, HOD, BCA. The meet was **coordinated by Mrs. Shama Khan and Mrs. Priyanka Soitkar**. The meet was hosted by Mrs. Priyanka Soitkar, Vote of thanks was given by Mrs. Shama Khan. More than 198 students were benefitted by this meet. Faculties Dr. Prashant Yende, Dr. Harshala Pethe and Vaibhav Bhagwat were also present.
