DEPARTMENT OF COMPUTER APPLICATION (BCA)

Guest Lecture

On

“Cyber Security & Awareness”

Date: 26th March, 2022

REPORT

BCA Department organized a Guest Lecture on “**Cyber Security & Awareness**” on 26th March, 2022 at 1:00 pm to 3:00 pm. The Guest Speaker were Mr. **Tejas Shashtri**, Project Engg., Wirpo Technologies, Pune and Mr. **Vedang Bhange**, Developer. The purpose of this seminar is to **focus attention on security, creating sensitivity to the threats and vulnerabilities of computer systems and recognition of the need to protect data, information and systems.**

The session mainly focused on :

- Understanding security risks to the confidentiality, integrity, and availability of our information systems and data
- Understanding safeguards available to reduce the information security risks to our users, data and information systems
- Understanding best practices that will protect our users and information systems from information security risks

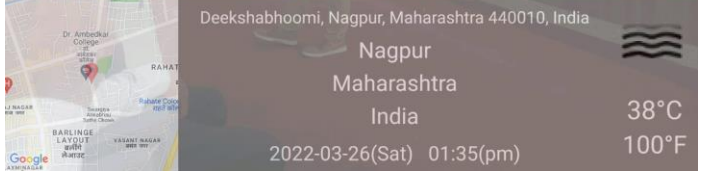

This session also consisted of the **Internet Privacy and Security**

Social Networking and Blogs

- Social networking sites, like MySpace and Facebook, along with personal web pages, twitter, blogs have become sites for personal information and uncensored opinions.
- You should not reveal personal details or confidential information online. Assume that anything you post in the previously mentioned areas is public and could be used against you.
- You should not post anything on the Internet that you would not be willing to display on a banner in a public place.
- Seemingly innocent information about your interests, family or history could be used by hackers or stalkers.
- Things you post online can be very difficult to remove. Even if you delete the information copies can still exist on other computers, web sites, or in search engines

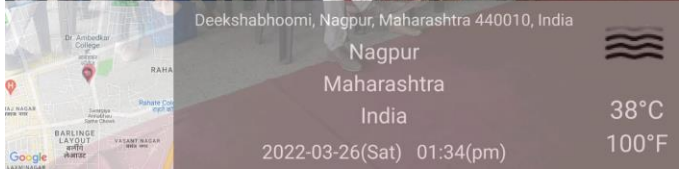

This session was coordinated by Mrs. Priyanka Soitkar under the guidance and support of Dr. Prakash Bhongade. Faculty members Dr. Harshala Pethe, Dr. Prashant Yende, Mrs. Shama Khan and Mr. Vaibhav Bhagwat were also present in the session. More than 250 students were benefitted with this very informative session and it ended up well with a healthy discussion and students were also interactive with the speaker throughout the session.
