BCA department has organized guest lecture on “Awareness in IT Industries and Placements” on 17<sup>th</sup> September 2022 at 12:00 pm in mini auditorium of our college. The speaker was Ms. Pratigya Thakur, Tech Specialist, Unisoft Technology.

In her lecture, she discussed about what are the expectations of IT industries from fresh graduates. She also mentioned the current development in IT industry. The main motive of the lecture was to guide the students in their career goal and to build strong future in their successful path.

Ms. Thakur mainly focused on the areas where the students are lacking and to achieve their credential by taking different certification courses like Python, Oracle, Cloud Computing, Machine Learning, AI etc. Through this the students can plan for their future prospective after BCA. She also spoke on current trends in IT sector and demand of IT professionals in market. She discussed about the current trends in Information Technology and its influence on the IT culture and career. The speaker gave idea about the different levels of hierarchy in a company and what different software is used on which the developers are working. She also spoke about the importance of certifications from MicroSoft, Oracle corporation etc.

This session greatly helped students for a better understanding in their career paths, by identifying specific skills needed for their success.

The guest lecture was co-ordinated by Dr. Prashant Yende and Mrs. Priyanka Soitkar. The faculty members Dr. Harshala Pethe, Mr. Vaibhav Bhagwat, Mr. Javed Khan also attended the session. Program was compared by Mrs. Priyanka Soitkar and vote of thanks was given by Anushka Sant, student of BCA Sem V.
