BLANKET DISTRIBUTION DRIVE

Under

FEEDING NATION

Date: 17th December 2022

REPORT

BCA Department has organized a Social Campaign for Blanket Distribution on 17th December 2022 in different places in Nagpur.

With growing winters and falls in temperature, deprived people's livelihoods are seriously affected. Lack of proper clothing in such low temperatures is one of these people's significant issues.

In this campaign, the Department of Computer Application (BCA), the respected faculty members and the students donated blankets to the needy.

This initiative helped many stand firm in these conditions and helped them survive the cold atmosphere.

This initiative was coordinated by Mrs. Priyanka Soitkar, under the able guidance of Dr. Prashant Yende. Other faculties Dr. Harshala Pethe, Mrs. Shama Khan, Mr. Vaibhav Bhagwat and Mr. Javed Shah also supported the drive by distributing the blankets in different areas of Nagpur.
