### Department Of Mathematics

#### Career Opportunities in Mathematics:

Mathematics is a science which has wide applications in real life. So to create awareness and interest in the very important branch of science called Mathematics, students were introduced to the various career opportunities which are available to them if they make a career in Mathematics viz. Financial Mathematics, Actuarial Science, Applied Mathematics, Artificial Intelligence, Machine Learning, etc. This Activity was conducted on 22<sup>th</sup> August 2018.
