

Dr. Ambedkar College

Department of Mathematics

Session 2020-21

Welcome Address

Department of Mathematics, Dr. Ambedkar College Nagpur conducted welcome address for the students of B.Sc. Part I on 18th Oct 2020.

Head of the Mathematics Department, S.M. Pawar initiated the welcome address by introducing the students to the faculty members. Furthermore, a brief introduction about the department activities was given to the students. This helps inculcate a sense of belongingness for the students during this tough pandemic times.

A detailed discussion about the new syllabus was done so that the students are familiar with what they have to do in the coming year. Also, all the queries by students were answered in the session itself. The discussion further continued wherein the examination pattern was also explained to them in detail.

Students were informed about the various personal development activities which are conducted by the department and college. Thus, motivating them for actively participating in the same for the coming year.

Finally, the session ending by mentioning a few important things regarding the institute so that a proper discipline is maintained when the students finally start their journey.
