

Dr. Ambedkar College

Department of Mathematics

Session 2020-21

Problem Corner

Department of Mathematics, Dr. Ambedkar College Nagpur conducted various activities for the students to know at what extent they are acquiring the subject knowledge. One such activity is *Problem Corner* which was conducted on 10/11/2020.

In this activity, few problems from the curriculum are given to the participants to solve in a limited time frame thereby encouraging them to respond actively and quickly. The students with the most number of correct answers are awarded with the first and the second prize respectively.

After the activity the expected learning from the students is increased and all the queries regarding the questions asked is also resolved.

The winners are mentioned below:

Name	Prize
Nishant Vijay Raut	First prize
Nidhi Kuhikar	Second prize
