Following a query by Final Year students in Arts Faculty, a very unique presentation on Admission process followed in various universities across the nation was made by Post Graduate students of the college. The objective of the presentation was to make available a platform to the PG students for presentation skills and also to create an affectionate bond between UG and PG students in the college.

Ms. Ganga Pal and Ms. Sushma Chaure from M. A. English Semester III prepared a presentation on the given topic. It was an online presentation and students from B. A. semester III joined the meeting in large numbers. The specific target audience was chosen as these students were on exiting year of their graduation studies and it was felt necessary to introduce them all to various universities where they can seek admission to higher education courses after UG course.

Presentation was made in a comprehensive manner on eligibility for taking admission to PG courses, dates of entrance examinations, syllabus for the test, declaration of results, mode of test and selection criterion followed in these universities.

Various other details were also shared on allied factors such as requirement of subjects at the UG level, level of difficulty about the questions asked in the entrance examination, reservation of seats for particular courses.

It was nice to observe that in addition to the details of the course and other areas of information shared, prominent alumnae who have passed out of these universities were also shared.

Ms. Ganga Pal and Ms. Sushma Chaure prominently collected the information from all the sources available on university websites and presented it in an easier manner for UG students.

It was followed by a Q & A session where students asked particulars of **Central Universities In India** and they were gladly answered by both presenters.

Following universities were covered in the presentation.

- **Savitribai Phule Pune University, Pune**
- **Ferguson College, Pune**
- **Hindu College, Delhi**
- **Jawaharlal Nehru University, New Delhi**
- **Tata Institute Of Social Sciences, Mumbai**
- **Gujarat University**
- **Christ College, Bangalore**
- **Rastrasant Tukdoji Maharaj Nagpur University (RTMNU)**
