**Head of the Department**

**Prof.S.M.Pawar**

## Report:

Department of Mathematics conducted Peer to Peer learning activity on 25<sup>th</sup> September 2021 for the students of B.Sc. Sem I, Sem III and Sem V. In this activity a platform was provided to the students of B.Sc. to showcase their knowledge and skills of Mathematics.

A large number of students of B.Sc. participated and presented topics of their own interest. This activity gives the students a platform to present their knowledge about any knowledge of Mathematics and related fields. The lectures are given by the students. This helps in motivating and inspiring other students to take up new activities in Mathematics and develop Mathematical knowledge in addition to their syllabus.

These talks were well appreciated by the Department of Mathematics and all the students.
