## **Report:**

On 22nd November 2022, the Department of Mathematics at Dr. Ambedkar College, Deekshabhoomi, Nagpur, organized the inauguration of the Mathematics Society for the students of Semester 1, Semester 3, and Semester 5 of BSc. The event was aimed at promoting the study of mathematics and encouraging students to take an active interest in the subject.

The event was organized at 12.00 noon in the presence of Prof. S. M. Pawar, Head of the Department of Mathematics, Dr. Ambedkar College, Deekshabhoomi, Nagpur, and other faculty members of the department. The event began with the lighting of the lamp, followed by the welcome address by Prof. Pawar. She highlighted the importance of mathematics in various fields, including science, engineering, finance, and technology, and encouraged students to develop a passion for the subject.

The event featured several activities, including a quiz competition, poster presentation, and a guest lecture on the role of mathematics in real-life applications. The students enthusiastically participated in the activities and showcased their skills and knowledge in mathematics.

The quiz competition tested the students' knowledge of mathematics and its applications, and the winners were awarded prizes by the faculty members. The poster presentation showcased the students' creativity and understanding of various mathematical concepts, and the best posters were awarded prizes.

The guest lecture was delivered by a renowned mathematician, who discussed the role of mathematics in various fields, including science, engineering, and technology. The lecture was informative and inspiring and provided the students with an insight into the vast applications of mathematics.

The event concluded with the vote of thanks by Dr. Jitesh Tripathi, Assistant Professor, Department of Mathematics. He thanked the faculty members and the students for their active participation and encouraged them to continue their pursuit of knowledge in mathematics.

The inauguration of the Mathematics Society by the Department of Mathematics, Dr. Ambedkar College, Deekshabhoomi, Nagpur, on 22nd November 2022, was a successful event that aimed at promoting the study of mathematics and encouraging students to take an active interest in the subject. The various activities organized during the event provided an excellent platform for the students to showcase their skills and knowledge in mathematics. It is hoped that such events will continue to be organized in the future to promote the study of mathematics among students.
