## **Report:**

The Department of Mathematics at Dr. Ambedkar College, Deekshabhoomi, Nagpur, conducted a sweater distribution program for underprivileged kids of Tejaswini Madhyamik Shala Koradi on 2nd January 2023. The program was organized as a part of the Social Outreach initiative of the Department of Mathematics.

The program was held at Tejaswini Madhyamik Shala Koradi, and the distribution of sweaters started at 12.30 pm onwards. The event was attended by the management and staff of the school along with the students who were the beneficiaries of the program.

The distribution of the sweaters was carried out by the faculties of the Department of Mathematics, including Prof. S. M. Pawar, Head of the Department of Mathematics, Dr. Ambedkar College, Deekshabhoomi, Nagpur, Dr. Jitesh Tripathi, Assistant Professor, Department of Mathematics, and CHB faculties. The sweaters were distributed to the students in a systematic and organized manner, ensuring that each student received the right size and color.

The faculty members who participated in the program interacted with the students and encouraged them to focus on their studies and pursue their dreams. They emphasized the importance of education and how it can help them in achieving their goals.

The management and staff of the school expressed their gratitude towards the Department of Mathematics, Dr. Ambedkar College, Deekshabhoomi, Nagpur, for organizing the program and providing sweaters to the students. They also acknowledged the efforts of the faculty members who took time out of their busy schedules to participate in the program.

The sweater distribution program for underprivileged kids of Tejaswini Madhyamik Shala Koradi by the Department of Mathematics faculties of Dr. Ambedkar College, Deekshabhoomi, Nagpur, was a great success. It not only helped the students to keep warm during the winter season but also showed them that they are cared for and that their education is important. The program was a great initiative by the Department of Mathematics, and it is hoped that such programs will continue in the future to support the underprivileged kids in society.
