## **Report:**

On 14th March 2023, the Department of Mathematics at Dr. Ambedkar College Deekshabhoomi, Nagpur, conducted an event to commemorate National Mathematics Day. The event started at 11.30 am and was attended by students, faculty members, and guests.

The event was presided over by Prof S.M. Pawar, Head of the Department of Mathematics, and Dr. Jitesh Tripathi, Assistant Professor, Department of Mathematics. The event began with a brief introduction by Prof. Pawar, highlighting the importance of mathematics in various fields of science and technology. Dr. Jitesh Tripathi stressed the significance of National Mathematics Day, which is celebrated on the birth anniversary of the legendary mathematician Srinivasa Ramanujan.

Following the introduction, students from the Mathematics Department gave talks on the life and achievements of Srinivasa Ramanujan. The talks highlighted Ramanujan's exceptional talent and his contributions to various branches of mathematics. Students also discussed the challenges

Ramanujan faced in his personal and professional life and how he overcame them with determination and perseverance.

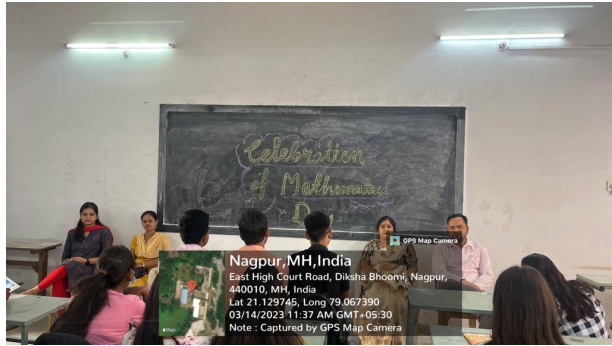

The talks were followed by a panel discussion, where faculty members and students shared their thoughts and opinions on the relevance of mathematics in today's world. The discussion covered various topics, including the role of mathematics in science, engineering, economics, and finance. The speakers emphasized the need for students to develop a strong foundation in mathematics to excel in their chosen fields.

The event concluded with a vote of thanks by Dr. Jitesh Tripathi, who expressed his gratitude to all the participants for making the event a success. He also thanked the faculty members and students for their contributions and encouraged them to continue their pursuit of excellence in mathematics.

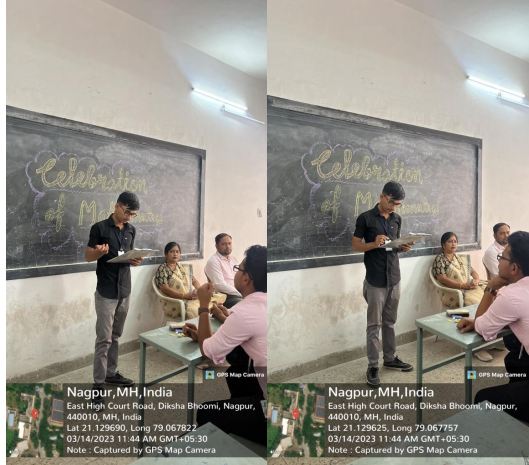

In conclusion, the National Mathematics Day event conducted by the Department of Mathematics at Dr. Ambedkar College Deekshabhoomi,

Nagpur, was a resounding success. The talks and discussions provided valuable insights into the life and achievements of Srinivasa Ramanujan and the significance of mathematics in today's world. The event was a testament to the Department of Mathematics' commitment to promoting the study of mathematics and its role in shaping the future.
