**Department of Electronics**  
**Induction Program**  
**Deeksharambh**

**Date:** 3<sup>rd</sup> sept 2022

**Time:** 12:30 pm to 1:30 pm

**Event conducted by:**

**Department of Electronics, Dr Ambedkar College, Deekshabhoomi, Nagpur.**

**About Induction Program:**

The Department of Electronics, Dr. Ambedkar College, Nagpur organized Deeksharambh program. The event was held on 3<sup>rd</sup> Sept. 2022 at the Electronics Department, Dr Ambedkar College, Nagpur. The Dr. Mrs. B.A.Mehe, Principal of the college was the chairperson of the Deeksharambh Program and guided to the students. The program began at 12.30 pm in presence of Prof. V.S.Pawar , Head of Electronics, Dr. N.V.Shivarkar, Associate Professor and Event Coordinator, Dr. K.Y.Rokde, Assistant Professor [CHB].

In the Department of Electronics there is two regular staff and one is the CHB one another is the non-teaching staff. The Dept of Electronics conducted the various activities during the academic session for the overall Development of the student. The activities just like student's seminar, Guest Lecture by eminent people, carrier Guidance program, designing the project work in Electronics, Physical Activity, Mentoring, Familiarization to the Department of the Electronics visits to local Area and Extra- curricular activities in college. The new students should be introduced to the extra-curricular activities at the Department / college or the University level they should be show the facilities and informed about activities

The B.Sc first Semester students come from school to college. The college life is one of the most challenging events in a student's life. When new students enter the college, they come with diverse thoughts, background and preparations. They come into a new unfamiliar environment. The most of them have little knowledge of a University / college therefore, it is to welcome new students to higher Education and prepare for their new role.

The purpose of Dikshrambha Programme is to help new students adjust and feel comfortable in the new environment. They help them build bonds with other students and faculty members and expose them to a sense of longer purpose and self exploration.

Student induction Programme engages with the new students before regular classes start. It could cover a number of different aspects such as Socialization, Association, Covering and Experiencing. Socialization means that meeting other new students meet to the senior students, lecture by eminent people. Associating means that visit to college / University visit to Department, Programmed of study and important place in campus. Governing means that rules and regulation by Department of College, student

support etc. Experiencing means that subject teacher, study skills small group activities, physical activity and creative performing arts, literacy activities, Universal human values etc.

**Date: 29<sup>th</sup> August 2022**
