**Development of Youth Personality for Social Responsibility**

Date 25<sup>th</sup> January, 2019.

The programme started with floral welcome of the Guest Speaker by Ms A. M. Badar, Co-ordinator of ED Cell. The proceedings of the programme were conducted by Ms. Kalyani Gawande. Dr. Sumant Tekade, a noted motivational speaker, delivered a lecture on “Development of Youth Personality for Social Responsibility”. Dr. Tekade earned his MBA degree from Bengaluru University and has extensive experience as HR manager with Wipro IT Company. He has a rich experience of recruitment as he has interviewed more than thousand IT professionals. Due to passion for service to the society he plunged into social service. In today’s world social responsibility has become increasingly important. He explained how a student can play an important role in improving and strengthening the society. He emphasized the need to take the steps for removing social evils based on the steps taken by Chhatrapati Shivaji Maharaj. Dr. Tekade also stressed the need for protecting the public property. He told the students to maintain cleanliness in public places similar to the way we keep our own house clean. He asked the students to lead a disciplined life by following rules and regulations. He also elaborated the importance of controlling ego and anger, remaining alert, hard working nature, helping the needy and older people, donating clothes to less fortunate, respecting women etc. He appealed the students to help less privileged students in their studies. He explained the importance of setting goals for future career. He told the students that they should strive hard to achieve their life mission not only for themselves but also for the society. The students were highly motivated by the speech given by Dr. Tekade. The programme was largely attended and ended with vote of thanks by Ms. Janhavi Burbure.
