### Aptitude Test (31<sup>st</sup> October, 2020)

A general Aptitude Test was conducted for B.Sc.-I students on 31<sup>th</sup> October, 2020 to assess the level of awareness about Statistics and Mathematics among the B.Sc.-I students. The test was conducted without giving any prior intimation. The maximum number of marks for the test were 25 and the time allotted was 50 minutes. Total 40 out of 60 students appeared for the test. The analysis of performance of the students in the aptitude test showed that 35 students out of 40 performed better than the average, which was taken as 40% and 5 students performed below average. The result of the aptitude test was discussed with the students. They were encouraged to read the basic books and they were asked to get their doubts cleared by consulting the faculty members anytime which is mutually convenient. Considering the below average performance of some students, the faculty members of the Dept. of Statistics are teaching the subject in simple way and the fundamental concepts are explained in detail.
