

**SEMINAR REPORT**

Date: January 17, 2019      Time : 12.30 pm

Place : Mini Auditorium, DACN, Nagpur

Conducted By : SILICA 3D Design Academy

**Topic: INTRODUCTION AND AWARENESS TOWARDS CAREER IN DESIGNING**

On 17<sup>th</sup> January 2019, a seminar was organized in Dr. Ambedkar College by **SILICA 3D DESIGN ACADEMY**. The seminar was about the introduction and guidance towards Career in Designing. The seminar was conducted from 12.30 pm to 1.30 pm in Mini Auditorium, in the college premises.

The motive of this seminar was to make students aware about the various career options in the field of designing. The career option, scope and opportunities were explained properly by Team SILICA.

Students from various departments like Biotechnology, Biochemistry, CBZ, PCM, BA,B Com etc. attended the seminar. The seminar was conducted under the guidance of Teacher Incharge Dr. (Mrs) Dhanashri Borikar. Team SILICA explained about Designing through Power Point Presentation by Ms. Rupali Panchbhai, Central Manager and Ms. Reena Pande. They tried to provoke the inner artists of the students by conducting a 10 minute Creativity Quotient Test (CQT), in which student were supposed to draw any ten objects with at least one circle in it. After analyzing those results were displayed on the notice board and the students were given the grades accordingly.

Through this seminar, field of Design was promoted, which is now a days an underrated career option but now is coming in the scene. Students enjoyed the seminar very much. The seminar was conducted successfully and students realized their self abilities and were motivated to bring their talent on the stage. Vote of thanks was proposed by Ms. Sambodhi , wherein students expressed their gratitude towards Principal Dr. P. C. Pawar, Dr Mrs. Dhanashri Borikar. Ms. Panchbhai and Ms. Reena Pande for introducing this new field as carrier option.
