Report of Guest Lecture On “VSEPR Theory”

Date of Guest lecture : 04th September 2018
Topic : VSEPR Theory
Speaker : Dr. NileshGandhare, Assistant Professor, Department of Chemistry,
NabiraMahavidyalaya, Katol.
In-charge of Activity : Mr. N. G. Telkapalliwar

Department of Chemistry organized a Guest Lecture on “VSEPR Theory” on **04th September 2018** at Mini auditorium. The guest speaker was **Dr. NileshGandhare**, Assistant Professor, Department of Chemistry, Nabira Mahavidyalaya, Katol. The lecture was attended by B.Sc. students of Chemistry and Faculty members of Chemistry Department.

The event started with Garlanding of portraits of Lord Gautam Budha and Bharatratna Dr. Babasaheb Ambedkar. The guest speaker was welcomed by Dr. Mrs. D. Y. Panhekar, Head of the Chemistry Department. The guest lecture was preceded by an introductory remark by Mr. N. G. Telkapalliwar, Teacher In-charge of the activity. He emphasized the importance of such type of activities in a teaching-learning process. Dr. Nilesh Gandhare delivered a guest lecture on VSEPR theory and explained various postulates of theory by discussing number of examples. The lecture was very well received with admiration by the students. The programme was concluded with the presentation of letter of thanks and a memento as a token of appreciation. Dr. Mrs. D. M. Borikar and Dr. V. M. Shivankar are co-ordinated the event. All the teaching and non-teaching staff members of the Department work hard for success of the event.
