ICT based Online Quizzes for B.Sc. Students

The Department of chemistry has organised five ICT based quizzes on different topics based on university syllabus for B.Sc. (Chemistry) students. The key objectives of conducting different online ICT activities are to bring qualitative and accountable change to subject education through technology & Quiz Based Learning System.

The different ICT based online quizzes on syllabus topic created and organized by using online tool for teaching- learning management, students summative & formative assessment and performance feedback in real time. The following five ICT based quizzes created and conducted by **Prof. N. G. Telkapalliwar**.

Sr. No.	Topic of ICT based Quiz	Date of Quiz organized	Class
1.	Gaseous State	24/09/2018	B.Sc. SEM-I
2.	Thermodynamics	25/09/2018	B.Sc. SEM-I
3.	Liquid Mixtures and Colligative Properties	27/09/2018	B.Sc. SEM-V
4.	Liquid State	01/10/2018	B.Sc. SEM-I
5.	NMR Spectroscopy	14/02/2019	B.Sc. SEM-VI
