**ORIENTATION TOWARDS IIT-JAM 2019**

**Date: 18/7/2018**

**REPORT**

Mr. Muneshwar Nandeshwar ( NET, CSIR-JRF , SET & GATE ), pursuing Ph.D. in IIT Hyderabad and member of Chemistry Alumni Association, Dr Ambedkar College delivered a lecture on ‘Orientation towards IIT-JAM 2019’ on 18/7/2018. He started his speech by discussing the career options and various entrance examinations after B.Sc. He explained the importance of IIT JAM examination in detail including the pattern of examination, fees structure, eligibility requirements and syllabus for Chemistry subject. He also gave important tips to students regarding the preparation strategy and how to deal with the questions in IIT JAM exam.

He further discussed job opportunities after completing M.Sc. from reputed institutes like IITs, and NITs in India. He also provided information on the topmost and good Universities and colleges like University of Hyderabad, Delhi University, Banaras Hindu University, etc.. He advised students to use standard reference books for the IIT JAM preparation. He shared the list of books for IIT JAM preparation. At the end of the session , students interacted with Mr Muneshwar regarding their queries. . The programme was organized by Dr Deepa Panhekar, Head, Dept. of Chemistry under the aegis of Chemistry Alumni Association, Dr Ambedkar College. Around 30 B Sc fifth semester students attended the session. Vote of thanks was proposed by Mr Pranay Gaikwad, B Sc student.
