Since moot courts are the primary focus of the SMCA, an in-house moot court competition is organized every year for the students of the Department by the SMCA. This competition provides a wonderful forum for the students of the Department to participate in moot courts. Especially for the new incoming students of the first semester this in-house event helps them to build their confidence for participating in national level events later ahead in their student life. This year the competition was held on 20<sup>th</sup> October 2018.

The moot proposition framed for it was based on Constitutional Law. The rules for drafting of memorials as well as for oral submissions were at par with any national level moot court event. Students were required to register in teams for the event and every team was to have three participants – two mooters and one researcher. The Orientation and draw of lots was held on the 4<sup>th</sup> of October.

In all, 36 students i.e. 12 teams participated in this event, which included students from the very first semester as well.

Erudite lawyers from the Nagpur High Court were invited as the judges. They include Adv Ms Richa Tiwari, Adv Suyog Deshpande, Adv Ramnik Kaur, Adv Chetan Dhore, Adv Rahul Kishnani and Adv Pritesh Atkar were the esteemed judges.
