

**DR. AMBEDKAR COLLEGE
DEEKSHABHOOMI, NAGPUR
HRD LECTURE SERIES
15 APRIL -23 APRIL 2019**

DATE : 15/04/2019

**RESOURCE PERSON : DR. SUJIT METRE, PROFESSOR AND ASSOCIATE
DIRECTOR, DR. AMBEDKAR INSTITUTE OF MANAGEMENT STUDIES AND
RESEARCH, NAGPUR**

TOPIC : OUTCOME BASED EDUCATION (LEARNING)

Human Resource Development Cell (HRD Cell) of Dr. Ambedkar College, Deekshabhoomi, Nagpur has organised a six day lecture series for the faculty members of the college from 15th to 23rd April 2019. The first lecture of this series was organized on “Outcome Based Education” on 15th April 2019.

The Guest Speaker was Dr. Sujit Metre, Associate Director, Dr. Ambedkar Institute of Management Studies and Research, Nagpur. Dr. Hema Menon, IQAC Co-ordinator, welcomed the guest speaker and Ms. Priti Singh, Co-ordinator HRD Cell made introductory remarks of the HRD lecture series organized by the college in the previous academic sessions spelling out the aims and objectives of the same. Mr. N. G. Telkapalliwar, Department of Chemistry introduced the speaker.

Dr. Sujit Metre elucidated about “Outcome Based Education” explaining that it is an approach in which the curriculum focuses on the learning outcome that a student should demonstrate at the end of the program. He also discussed with reference to the present generation being active with low order thinking skill and lacking in high order thinking skills. He lay emphasis on the fact that attention should be directed more towards knowledge, skill and attitude for the overall development of the student to succeed in the global scenario.

Dr. Sujit Metre delivered lecture to help college teachers to understand, how outcomes based education can be designed, implemented and used to work as an essential help in not only ensuring that students undertake deep learning and show desired outcomes but also constructively support the assessment and evaluation techniques to go with such learning outcomes. He explained the use of OBE in higher education is comparatively recent in the Indian Universities and its importance in higher education in teaching and learning has increased in response to the pressing requirement of educational institutions to get accreditation

from the National Assessment and Accreditation Council (NAAC). During the lecture, he discussed the concept of Outcome Based Education (OBE), important constituents of OBE, different levels of learning outcomes, assessment & evaluation of learning outcomes, computation of attainment levels of learning outcomes. He also explained the 'Programme Educational Objectives' (PEOs) in association to the vision and mission statements of the department and college, 'Programme Outcomes' (Pos), 'Programme Specific Outcomes' (PSOs), 'Course Outcomes' (COs), designing COs using Bloom's taxonomy, design of assessment and evaluation tools and techniques for finding out the direct and indirect attainment levels of learning outcomes.

Faculties from all the departments attended the lecture. After the lecture, questions came from individual faculty members. The faculty members of the college appreciated the lecture and became aware about the concept of Outcome Based Education. The guest lecture concluded with a vote of thanks by Mr. N. G. Telkapalliwar, Assistant Professor, Department of Chemistry.
